

SAHRA

SPA, SALON & HAMMAM

Inspired by the desert's ever-expanding canopy of sky, mystifying sand sculptures, and enchanting, moonlit nights—Sahra changes perspectives, opening the window to a world of unique experiences.

Seemingly simple yet wonderfully complex, we draw from the desert's unexpected depth and beauty, unanticipated life, and profound strength. We believe the desert's striking contrasts—exhilarating intensity embraced by ageless stillness and peace—create a path to balance, clarity and calm.

HAMMAM

Our ritual space is a modern homage to a centuries-old practice of purification and renewal. The Hammam combines body detoxification and steam treatments amidst the heated motherstone with two soaking tubs, steam rooms and stone loungers.

Moroccan Journey

Indulge in our most decadent ritual that transports you to exotic Marrakesh where you will unwind in privacy while indulging in the radiant heat of the Hammam. Enjoy a luxurious cleansing experience with black neroli soap followed by a dual exfoliation including a traditional kese mitt body buffing and soothing shea butter bamboo scrub. Receive the detoxifying benefits of a rhassoul mud masque and moisturize with a kalahari melon hydrator. Throughout the experience, guests will be enveloped in our eucalyptus steam room and relax while immersed in a large soaking tub. Emerge radiant and renewed with a full body Sahra Signature Massage.

Red Flower Hammam Experience

A fragrant ritual of heat, steam, massage, detoxification and relaxation. Eleven flower oils and fruit essences are imparted upon the body. Begin on the warm stone while basins of relaxing water are poured over the body. A vigorous Coffee Lemon Blossom Olive Stone Scrub is applied followed by a purifying Jasmine Rose Rhassoul Clay and Cardamom Amber Oil application.

Hammam Soap Ritual

A luxurious body buff using a traditional Turkish Kese Mitt prepares your skin for hydrating suds that awaken every cell on your body. A detoxifying steam and quenching Tangerine Fig Butter moisturizer culminate this authentic experience.

MASSAGE

GENTLEMEN'S COLLECTION

Gentlemen's Soak

A combination of aromatic pure essential oils have been hand selected to target specific muscle groups commonly found in overworked or athletic gentlemen. Fire & Ice Facial

The juxtaposition of hot and cold tantalizes the senses throughout this treatment creating a sensory experience with stunning results. A gently warming glycolic enzyme melts away fine lines, wrinkles and pigmentation. As fresh new skin cells are revealed, they are plumped with a hyaluronic acid mask and corrective anti-aging serums.
