**PAELLA Y ARROCES (PAELLA & RICE)**

*When I was a young boy, I used to help my father cook the best-known dish in Spanish cuisine: paella. He would put me in charge of the open fire where we would cook for our friends and family. This is where I learned the art of controlling the heat, a skill needed by any chef. While heat is important to creating the perfect paella, the real star is the rice. Bomba rice from Valencia or Calasparra from Murcia are the best to absorb all the amazing flavors and to keep a perfect texture. ¡Buen provecho!*
- José Andrés
