

WACOL TO DARRA MOTORWAY UPGRADE CONSTRUCTION OF TEMPORARY & PERMANENT RETAINING WALLS

QUEENSLAND, AUSTRALIA

CONSTRUCTION OF TEMPORARY & PERMANENT WALLS FOR HIGHWAY PROJECT

PROJECT OVERVIEW:

Geovert were involved from the early stages of the \$1Bn + Safelink Alliance Project, providing temporary stabilisation solutions for the roundabout bridges at the junction of the Ipswich Motorway and the Centenary Highway.

SOLUTION:

Geovert completed two large retaining walls on the Centenary Highway, comprising of over 13,000lm of Soil Nails and 2250m² of reinforced shotcrete. In total, Geovert have constructed six temporary soil nail and shotcrete walls, two permanent soil nail & shotcrete walls, and one temporary through tied wall on the Safelink project.

Services related to this project

Soil Nails
Shotcrete
