Transaction limits

Unless you have received approval for a higher limit, you can only make a transaction involving a foreign currency conversion where your open positions or unsettled transactions do not exceed USD100,000 (or its equivalent) at the time of requesting the transaction with us. If you structure multiple transactions to exceed this amount, we may block those transactions.

We may review our internal credit risk policies from time to time and adjust our transaction limits in line with those policies. If we lower the transaction limit, we will give you reasonable notice of such change.

Suspension and termination

We alone will determine whether there has been a breach of this acceptable use policy through your use of our Services.

We take breach of this policy seriously and may take the following actions:

- immediate, temporary or permanent withdrawal of your right to use our Services;
- suspend or cancel your payment orders and take such other actions as we consider necessary;
- immediate, temporary or permanent removal of any posting or material uploaded by you;
- issue of a warning;
- legal action against you including proceedings for reimbursement of all costs on an “all expenses” basis; and/or
- reporting and disclosure of information to law enforcement authorities; and
- anything permitted in your agreement with us.

Other policies

This policy does not limit any of our rights in our agreements with you or the implementation of our risk appetite in accordance with our internal policies, our banking partners’ policies or the policies of participants in our payment network

Changes to the acceptable use policy

We may revise this acceptable use policy at any time by amending this page. You will want to check it regularly as it is legally binding on you.
