

Safety Net Bet Terms and Conditions

Qualifying

- 1. This offer is available to new and eligible customers only.**
- 2. To qualify for the offer, add your qualifying bet to the bet slip, enter your cash stake amount, select 'Use Safety Net Bet' and place the bet. If your qualifying bet loses, you will receive your money back in Bet Credits.**
- 3. Safety Net Bet will apply to your chosen bet once 'Use Safety Net Bet' is selected on the Bet Slip. If you place two or more bets on the same Bet Slip, only the selection that has been nominated as the Safety Net Bet bet will qualify.**
- 4. If you are eligible for this promotion, your Bet Credits will be added to your Bet Credits balance within 24 hours of the fixture finishing.**

Restrictions

- 5. Only bets placed with cash are eligible to receive this offer. Where your qualifying bet is funded partly with cash and partly with Bet Credits, only losses from the cash part of your bet will be returned in Bet Credits.**
- 6. Void bets or bets which are settled as a push will not receive a Bet Credits return and the offer will be closed.**
- 7. Bets placed using Bet Credits, Free Bets, Gaming bets, bets placed on Virtual Sports or Fantasy entries do not qualify for a return as part of this offer.**
- 8. Only bets that have been selected as 'Use Safety Net Bet' will qualify for this offer.**
- 9. This bet will expire if not used prior to the stated event taking place.**
- 10. This offer cannot be used in conjunction with any other offer where qualifying conditions for both offers are met. For Early Payout Offers, if your qualifying bet is settled as a winner but would have naturally gone on to lose, this offer will not be applied.**

Using bet credits

- 11. Your bet credits are non-withdrawable. Any returns from bet credits stakes will be added to your Withdrawable Balance but bet credits stakes are not included in any returns. For example, a €10 bet placed at odds of 3.00 (2/1) would give a return of €30 (€20 winnings plus €10 stake), whereas a €10 bet**

credits stake placed at odds of 3.00 (2/1) would give a net return of €20, as the €10 bet credits stake is not returned.

12. Stakes can be funded in part by your bet credits and part with your Withdrawable Balance; however the bet credits element of the stake will not be included in any returns. For example, a €10 bet placed at odds of 3.00 (2/1) which was funded by €5 bet credits and €5 cash would give a net return of €25 (€20 winnings plus €5 cash stake) as the €5 bet credits stake would not be returned. If a bet is void and has had an opportunity to win (for example, in the event of a push), bet credits stakes will not be returned. If a bet is void and has not had an opportunity to win (for example, when a Goalscorer bet is placed on a player who does not then take part in the match), bet credits stakes will be returned.
13. For the purpose of Cash Out, the value displayed will already have the bet credits stake removed and will be the actual return received if Cashed Out.
14. Your bet credits cannot be:
 - used as stakes on Bet Boosts, Super Boosts and Winnings Boosts.
15. Your bet credits will expire 7 days after they are added to your bet credits balance. If additional bet credits are added to your bet credits balance within this 7 day period, the total bet credits balance will expire 7 days after the last addition.
16. Bets placed using bet credits will not qualify for the following boosts:
 - Acca Boost
