Our newest addition to the Hi-Pro LED family provides up to 85% in energy savings, and advanced features. CCT and Wattage selectable capability means more versatility and custom-tailored light for specific application. Designed to produce high-output light with over 300° of illumination, this lamp is perfect for commercial bollard fixtures, post-top lighting and high ceiling recessed applications, to name a few.. Smaller jacket size and base up, down or horizontal use makes this our most versatile "A" lamp to-date.
