The classic adjustable head gooseneck fixture is one we've all seen often, but never with the technologies now available from Satco|Nuvo. Popular for so many applications, it might seem hard to make it even more versatile, but with added CCT and Wattage selectable technologies, photocell, a wet-location rating and clean, efficient LED light, this fixture can't be beat anywhere. It's easy to add style and efficiency to any venue with this classic design.
