#### Provisions of the Systematic Withdrawal Plan

Payden Funds Systematic Withdrawal Plan is available for any shareholder account worth at least \$5,000.

By completing this form, you are appointing Payden Funds as your agent to redeem shares in your account to make periodic payments.

Payments will be made by redeeming the appropriate number of shares in your account at the then current net asset value. Redemptions will be made on the 1st and/or 15th of each month, or the next business day, and will be paid as specified in the prospectus.

Withdrawal payments should not be regarded as income or yield on your investment, since part of each payment will normally consist of a return of capital. Depending on the size and frequency of your withdrawals and the fluctuations in value of the fund portfolio, using the Plan may reduce or even exhaust your account.

#### 5. BANK INFORMATION

This form must be received at least 14 days prior to your initial transaction to establish and confirm your bank information. You must attach a blank, voided check from your bank account to this form. If you are adding or changing bank information after your account has been established, a Medallion signature guarantee is required.
