The 2022 Amendments to the Uniform Commercial Code (UCC):

GBBC USA
U.S. Blockchain Coalition

The UCC is updated periodically to keep pace with legal and technological developments. The 2022 Amendments implement the following updates:

- Create new UCC Article 12 on Controllable Electronic Records
- Update Article 9 to allow for perfection of security interests in digital assets.
- New rules for mixed transactions involving both goods and services
- Update rules for electronic negotiable instruments
- Updated terminology to account for electronic signatures and documents
