LILLYPAC MISSION

LillyPAC brings us together with a united voice to financially support candidates of both parties who will champion policies that advance a positive environment for pharmaceutical innovation.

LillyPAC received the corporate **Trailblazer “Best in Class” Award** from the National Association of Business Political Action Committees (NABPAC) in 2018. NABPAC is the leading association of business political action committees from all across the United States. While we are grateful for the recognition, it is imperative that we continue to place Lilly in strongest position to weather the pressures of the U.S. policy environment.

MESSAGE FROM THE PAC CHAIR

I'm pleased to present the LillyPAC 2018 Annual Report, which details the PAC's role in protecting and strengthening the U.S. policy environment to support pharmaceutical innovation.

As you'll read, LillyPAC makes our democracy more inclusive by providing the opportunity for Lilly employees to effectively participate in the political process to advocate on behalf of the company and patients.

As LillyPAC's chairman, one of my fundamental beliefs is that democracy is not a spectator sport. Meaning, change doesn't happen without direct involvement and input from our employee PAC members. I am thankful for the LillyPAC members who contributed their time, talent and resources to support our company's policy priorities through political involvement in 2018. I don't take lightly what those contributions are meant to do, which is to assure Lilly is in strongest position possible to weather the pressures of the U.S. policy environment.

To that end, LillyPAC had a healthy record of successes in 2018, including:

- We supported 116 federal candidates for elected office;
- We supported 513 local and state candidates for elected office;
- We had a record-breaking LillyPAC membership campaign, where we welcomed 282 new members in 2018 and 191 current members increased their annual contributions helping the PAC raise \$210,000 in new annualized PAC receipts; and
- We launched the brand new Discovery Club and PAC Charity Match program last year and won a prestigious industry award.

You will find more information about all of this contained in the following pages along with a full report of LillyPAC's finances, the candidates and committees it supported in 2018, and the people who are helping the program grow.

Over the course of the next 3 to 5 years, Lilly has a tremendous opportunity to deliver more innovative medicines to patients than any time in our company's history. A number of forces will impact our ability to achieve this innovation, not the least of which will be the impact of U.S. policy decisions. With this in mind, continuing to grow and strengthen LillyPAC is a necessary priority.

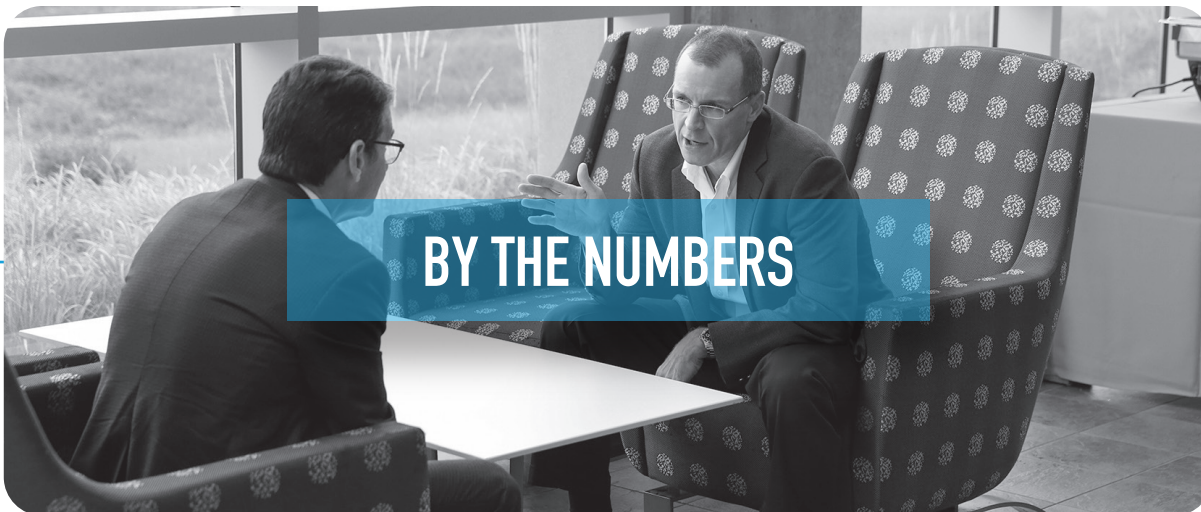

We look forward to building an even stronger Team LillyPAC in the year ahead.

LILLYPAC CHAMPIONS MAKE ALL THE DIFFERENCE

During 2018, LillyPAC was honored that 79 Lilly employees served as LillyPAC Champions. These men and women were trained about LillyPAC and its importance to our business, and they took LillyPAC's message to their colleagues inviting them to learn more about the program and make the decision to join. These individuals are LillyPAC's best advocates, and their commitment as Champions is absolutely key to strengthening our ability to advocate for issues that affect our future.

PAC CHARITY MATCH

**Your Contributions to LillyPAC Can Make Life Better
in the Communities We Serve**

In 2018, LillyPAC introduced a new PAC Charity Match program for members contributing at our Discovery Club level. Members who joined at this level received a \$500 charity match to one of 30 local or national charities—doubling the impact of their giving by helping Lilly succeed in our policy efforts, while making life better in the communities we serve.

In this first year,

167 LillyPAC Discovery Club members had
their investment matched with a \$500
charitable contribution resulting in
\$83,500 being donated national
and local tax-exempt
charitable organizations.

Here's How It Works

Make the decision to join LillyPAC at or upgrade your LillyPAC membership to the suggested Discovery Club guideline for your management level.

Select the charity you choose to support from the list of eligible, local and national tax-exempt charities in March of the following year.

Lilly makes a contribution in June of the following year (of \$500) to charity you selected—in your name.

You receive notification that the contribution was made in your name by July of that following year.

HOW LILLYPAC DECIDES WHO TO SUPPORT

LillyPAC invests your donations in candidates who:

- Advance positions on discovery related issues important to Lilly;
- Demonstrate leadership on key committees of importance to Lilly;
- Exhibit proven potential for legislative leadership;
- Are dedicated to improving the relationship between business and government;
- Represent a state or district where Lilly has a facility or a large concentration of employees or retirees; or
- Have campaigns that would benefit from LillyPAC support.

LillyPAC does not solely consider the candidate's political affiliation. Also, LillyPAC does not consider the candidate's position on issues that do not impact the company or its business environment.

LillyPAC members may recommend candidates for support based on these criteria by contacting Ed Sagebiel, Director, LillyPAC & Employee Grassroots Leadership, at egs@lilly.com.

LillyPAC Federal Contribution Limits

\$5,000 per primary and general election to a federal candidate's campaign committee.

\$15,000 per calendar year to each national party committee, such as the Democratic and Republican national, senatorial and congressional campaign committees.

\$5,000 per year to a federal incumbent's leadership PAC. Leadership PACs may be sponsored by members of Congress to support other candidates from their political party in order to position themselves for future leadership spots or committee chairmanships. These are separate from a member's campaign committee.

\$5,000 per year to a state or local party committee.

Contribution limits vary by state.

LOBBYING

Lilly invests in direct lobbying efforts at the federal, state, and local levels to educate policymakers on the specific implications that various legislation may have on the company, our community, and patients. Information on our federal lobbying activities is reported to the U.S. Congress in accordance with the Lobbying Disclosure Act of 1995. Information on our state lobbying activities is reported as required in those states where we engage in lobbying activities.

MEMBERSHIP

In addition to direct political contributions, Lilly maintains memberships in certain 501(c)(6)s—trade associations that report lobbying activity to the U.S. government. We support organizations that champion public policies that contribute to pharmaceutical innovation, healthy patients, and a healthy business climate. For the most recent listing of our memberships in trade associations that report lobbying activity to the U.S. government and to which we contribute \$50,000 or more per year, please click [here](#).

WHY LILLYPAC?

LillyPAC cannot exist without the support of Lilly's eligible employees. Their commitment to voluntarily pool their funds through LillyPAC gives us the ability to help elect candidates for federal, state and local office who will determine issues, and policies that create a positive public policy environment for Lilly and the pharmaceutical industry.

Here are a few facts to know:

Participation in LillyPAC is strictly voluntary. It is the personal decision of every eligible Lilly employee whether or not to contribute to our PAC. Individuals are not favored or disadvantaged based on their decision to join.

LillyPAC is non-partisan. It does not make contributions to candidates based upon their political affiliation. LillyPAC provides financial support to candidates who will champion policies that advance a positive environment for pharmaceutical innovation.

Corporate contributions cannot be given directly to federal candidate campaigns. Federal law prohibits Lilly and all other corporations from making corporate contributions to candidates for federal office. Many states have similar laws. These laws do allow, however, for employees to join together through a PAC and make political contributions to protect the future of their company—and that is what we have done with LillyPAC.

Conscientious stewardship of LillyPAC funds is taken seriously. Our PAC could not exist without the financial commitment that each and every contributor makes to the organization.

Nearly one hundred percent of employee contributions to LillyPAC are given directly to candidate campaigns and political committees. Lilly, as permitted by law, pays for the administrative costs of running the PAC.

For more information about LillyPAC contact Ed Sagebiel, Director, LillyPAC & Employee Grassroots at egs@lilly.com.

Want to Join Us?

If you are a Lilly employee and would like to become a member of LillyPAC, it's easy to join.

Visit the LillyPAC website at <http://lilypac.com>.

Participation in LillyPAC is strictly voluntary. Employees may refuse to contribute without reprisal. Contributions via payroll deductions will be automatically renewed annually unless LillyPAC is notified in writing. Payroll deduction for new enrollees will begin the month after the enrollment form is received. Contributions are used for political purposes. Contributions to political action committees are nondeductible as charitable contributions for federal income tax purposes. You must be a U.S. citizen or lawful permanent resident to participate in LillyPAC. Annual contributions to LillyPAC may not exceed \$5,000.

Federal Election Commission (FEC) regulations require a political action committee, including LillyPAC to use its best efforts to collect and report the name, address, occupation, employer, and contribution amount of donors who give over \$200 per calendar year. These reports are publicly available at the FEC's website: www.FEC.gov.
