HOW LILLYPAC DECIDES WHO TO SUPPORT

LillyPAC invests donations in candidates who:

- Have a voting record or announced positions on issues important to Lilly;
- Have demonstrated leadership on key committees of importance to our business;
- Show a potential for legislative leadership;
- Are dedicated to improving the relationship between business and government; or
- Represent a state or district where Lilly has a facility or large concentration of employees in a district or state.

LillyPAC does not consider the candidate's political affiliation. Also, LillyPAC does not consider the candidate's position on issues that do not impact the company or its business environment.

Federal Contribution Limits

\$5,000 per primary and general election to a federal candidate's campaign committee.

\$15,000 per calendar year to each national party committee, such as the Democratic and Republican national, senatorial and congressional campaign committees.

\$5,000 per year to a federal incumbent's leadership PAC. Leadership PACs may be sponsored by members of Congress to support other candidates from their political party. These are separate from a member's campaign committee.

\$5,000 per year to a state or local party committee.

Contribution limits to state or local candidates and committees vary by state.

LOBBYING

Lilly invests in direct lobbying efforts at the federal, state, and local levels to educate policymakers on the specific implications that various legislation may have on the company, our community, and patients. Information on our federal lobbying activities is reported to the U.S. Congress in accordance with the Lobbying Disclosure Act of 1995. Information on our state lobbying activities is reported as required in those states where we engage in lobbying activities.

For more information, view the following reports:

MEMBERSHIP

In addition to direct political contributions, Lilly maintains memberships in certain 501(c)6s – trade associations that report lobbying activity to the U.S. government. We support organizations that champion public policies that contribute to pharmaceutical innovation, healthy patients, and a healthy business climate. The “Lilly Report of Political Financial Support” also notes our memberships in trade associations that report lobbying activity to the U.S. government and to which we contribute \$50,000 per year or more. Organizations where Lilly has a board seat are also noted. The most recent listing can be found [here](#).
