WE PROTECT WHAT MATTERS.

→ Singing Portraits → Live Portraits → Future Message

Singing Portraits is a fun and engaging way to enhance your photo memories. Just take a selfie or upload a photo, choose a song, and watch the person lip sync to your preferred tune!

Our newest feature allows you to animate the faces in your family photos with amazing new technology that brings them to life. You can save the images with GoodTrust, download them, or share them with others.

Future Messages allow you to create a customized video, photo, or text message to be automatically sent to anyone on a date you decide. You can even schedule messages for after your death. Show your family, friends, or your future self how much you care with Future Messages.
