Mastercard network	HKD20 per transaction

### Overseas ATM cash withdrawals<sup>1</sup>

<p>JETCO Network (JETCO ATM outside Hong Kong)</p> <ul style="list-style-type: none"><li>- No foreign exchange handling fees will be charged.</li><li>- The foreign currency will be converted into Hong Kong dollars by the exchange rate imposed by JETCO on the transaction date.</li></ul>	HKD30 per transaction
<p>Mastercard Network (ATM provided by local banks overseas)</p> <ul style="list-style-type: none"><li>- 1.95 % foreign exchange handling fee will be charged (a 1% fee imposed by Mastercard plus a 0.95% fee imposed by Mox).</li><li>- The foreign currency will be converted into Hong Kong dollars by the exchange rate imposed by Mastercard on the transaction date.</li></ul>	HKD30 per transaction

<sup>1</sup> Overseas cash withdrawals may be subject to fees imposed by overseas local banks providing the ATM service. Please pay attention to fees and charges when making overseas cash withdrawals. Overseas cash withdrawals with JETCO and Mastercard networks allow withdrawals from Hong Kong dollar accounts.

### Fees relating to foreign currency transactions on your Mox Card

Foreign exchange handling fee (comprising a 1% fee imposed by Mastercard plus a 0.95% fee imposed by Mox).	1.95%
------------------------------------------------------------------------------------------------------------	-------

- All settlements will be made in Hong Kong dollars.
- The foreign exchange handling fee will be imposed on transactions on your Mox Card effected in a foreign currency (including any refund of a transaction effected in a foreign currency). The transaction will be converted from the transaction currency into Hong Kong dollars at a wholesale market rate selected by Mastercard from within a range of wholesale market rates or the government-mandated rate in effect on the date when Mastercard processes the transaction. Such exchange rate may differ from the rate on the transaction date due to market fluctuation.

- You may use the Mastercard Currency Converter to check the foreign exchange for a [transaction date](#).

## Fees relating to settling foreign currency transactions in Hong Kong dollars and transactions processed overseas on your Mox Card

Cross-border access fee (comprising a 1% fee imposed by Mastercard plus a 0.95% fee imposed by Mox).	1.95%
------------------------------------------------------------------------------------------------------	-------

- If you conduct a Hong Kong dollar transaction (including a refund) on your Mox Card, whether in Hong Kong or overseas, and that transaction is processed overseas because the merchant or acquirer is registered overseas (ie. in a place other than Hong Kong), the cross-border access fee will be imposed by us on that transaction.
- The cross-border access fee will be imposed in circumstances where the overseas merchant or acquirer has already converted the transaction into Hong Kong dollars, or you have asked them to do so.
- The cross-border access fee and the foreign exchange handling fee will not be imposed on the same transaction. The cross-border access fee will apply if you are offered the option to, and choose to, settle a foreign currency transaction in Hong Kong dollars at a point of sale overseas. Please note that such an option is a direct arrangement offered by the overseas merchant and not Mox. You should ask the overseas merchant for details about the foreign currency exchange rate and any applicable fees before you enter into the transaction because settling foreign currency transactions in Hong Kong dollars may involve fees imposed by the merchant in addition to the cross-border access fee (and may involve a cost higher than the foreign exchange handling fee – see above).
