

YOUR

JOURNEY TO University

START

1

SPRING

Think

Now is a good time to think about your future. What would you like to do when you finish school? The Complete University Guide and Whatuni are here to help!

SHORTLIST

2

START EARLY

Research

Take some time to explore your options – look at different subjects, universities entry requirements and find application dates. You can use Whatuni's Career Matcher to find the career path for you and what you need to study to follow it.

6

SPRING

Offers

What happens next depends on the offers you receive. Find out how to reply to offers and apply for student finance and accommodation. Then it's time to work hard to pass your exams and secure your place!

7

SUMMER

Results day

Congratulations, you made it! If you'd like to go through Clearing, find all the advice and contact details you need on the Complete University Guide and Whatuni Clearing hubs.

FINISH

3

SUMMER/AUTUMN

Shortlist

Answer a few simple questions to create a personalised university shortlist list with Uniselect on the Complete University Guide and find out more about your shortlisted unis through Whatuni reviews.

4

SUMMER/AUTUMN

Decisions

To help you with your decisions you can book open days through the Complete University Guide or Whatuni, read student reviews and chat to current uni students on the Whatuni app or check out the Complete University Guide league tables.

5

WINTER

Applying

By now you'll have your five course and university choices. Read our guides on how to write a standout personal statement and how to submit your UCAS application.

8

AUTUMN

Prepare to go

Organise everything you need to start university — we have guides and checklists for you to follow online, though our websites and in the WU app. And most importantly, go and enjoy yourself!
