

Update from the Department of War Office of Small Business

LYNX is a dynamic, all-in-one platform designed to empower businesses of all sizes to succeed in the defense marketplace. Built and hosted by the Department of War Office of Industrial Base Growth, LYNX helps companies create structured profiles, showcase capabilities, and connect with mission-aligned partners. Through AI-enabled capability matching, tailored readiness roadmaps, and curated opportunity discovery, LYNX reduces barriers to entry and expands participation across the defense industrial base.

A promotional banner for the LYNX platform. The background is a dark blue sky with a fighter jet flying towards the viewer, leaving a white smoke trail. In the top left corner is the LYNX logo, which consists of a stylized fox head icon followed by the word "LYNX" in white capital letters. Below the logo is the U.S. Department of War seal and the text "U.S. Department of War". The main headline in large white font reads "Strengthening the foundation of American defense." Below this, in smaller white text, is "LYNX is the next-generation market research and supplier intelligence platform for the Defense Industrial Base — built with, and for, the U.S. Department of War." At the bottom left is a green button with the text "Get Started" in white.

LYNX

U.S. Department of War

Strengthening the foundation of American defense.

LYNX is the next-generation market research and supplier intelligence platform for the Defense Industrial Base — built with, and for, the U.S. Department of War.
