

Fido Roam Terms & Conditions

The following terms and conditions apply when the daily **Fido Roam™** fee is your default pay-per-use roaming rate and you are roaming in a destination where the fee is available:

1. The daily fee is charged per line and gives you access to the minutes, texts and data included in your Fido postpaid wireless plan for the calendar day in which you use it based on Eastern Time (ET). The daily fee is charged each calendar day of usage until 11:59:59 p.m. Eastern Time (ET), regardless of which time zone you are roaming in.
2. The daily fee of \$10 (plus taxes) is currently available to you while roaming in the U.S. (including Alaska, Hawaii, Puerto Rico & U.S. Virgin Islands) and the daily fee of \$14 (plus taxes) is available to you while roaming in other eligible destinations. If a daily fee becomes available in any other destination, then you will be notified of the applicable rate by text message when you travel to that destination. Visit fido.ca/fidoroam for a full list of eligible destinations.
3. All calls and texts to Canadian numbers or to numbers in the destination in which you are roaming are deducted from your Fido postpaid wireless plan. Calls and texts (unless your Fido postpaid wireless plan includes international texts) to numbers in any other destination are not included and are charged at the applicable rate (either our standard pay-per-use rates or the rate applicable to any add-on you may have). Airtime charges apply as per your Fido postpaid wireless plan.
4. Data is paused with Data Overage Protection when you reach 100% of your plan's allotted amounts or data overages apply for any data usage that exceeds your plan's allotted amounts as set out in your Fido mobile plan.
5. If you have a roaming option for which you pay a monthly service fee, you will still be charged that monthly fee, unless it is removed from your account.
6. The daily Fido Roam fee is a Pay-Per-Use Service that may be changed at any time without prior notice.
7. Subject to Fido Terms of Service and Acceptable Use Policy that you have previously agreed to.
