**AUSTIN, Texas, and AKRON, Ohio, September 16, 2024,** Today, [RVshare](#), the largest community for RV owners and renters, announces its list of highly anticipated winners in its annual Campers' Choice Awards, affectionately known as "The Campies". Earlier this summer, RVshare announced its third consecutive awards program and welcomed nominations in 18 competing categories to help give recognition to campgrounds and creators across the United States. This year's ballot included 9 new categories that highlighted social media influencers and creators on various platforms, as well as campgrounds that are the best for seasonal escapes.

Nominations for all campgrounds and creators closed on August 2, where the top finalists in each category were selected. The three finalists in each category were then able to garner as many votes as possible, leading up to the September 8 deadline. After over a thousand voters weighed in, RVshare is thrilled to announce this year's winners and congratulate them on their contribution to the outdoor travel industry overall.
