

## Why Paul Hastings?

Paul Hastings is a top tier US law firm that also operates in London and across Europe, Asia and LatAm. We advise on cross border transactions across all key infrastructure and energy asset classes in a way that brings you the best and the most innovative legal solutions at all times.

Our M&A and finance partners have worked together in the infrastructure and energy sector for decades and are recognised by legal directories as leading lawyers in their field. That experience means our clients benefit from:

- Best-in-class legal advice;
- Delivering your most complex transactions;
- Holistic view of your portfolio; and
- Seamless M&A and finance advice.
