with Progyny Direct Fertility Benefits

## hi, we're progyny

We believe that anyone who wants to have a child should be able to have a healthy one. Our mission has inspired us to change the world's conception of reproductive healthcare. In the pursuit of a better tomorrow, we're pioneering some of the most advanced fertility solutions known to science. With new technologies and procedures we're improving pregnancy rates and keeping mothers safe. Our high-level clinical expertise is matched only by the immeasurable support and expert care we extend to our members.

### ABOUT PROGYNY DIRECT

As a member of Progyny Direct, we help you find the fertility services you need at a price that makes sense. You'll get access to our robust provider network and we'll keep you informed about costs every step of the way. You can learn about reproductive health with our educational resources and find coverage on the go with our convenient mobile app.

Our concierge services make scheduling a breeze and our patient care advocates are always ready to offer help and guidance. With all this support you can rest assured knowing that if you choose to get treatment, you are getting the best of care.

## Provider Network

Work with doctors in your area that are a part of our exclusive provider network. With the network of over 350 nationwide locations, we'll connect you with the top fertility clinics and facilities so you can feel confident in knowing that you are getting the best treatment and care possible.

## Educational Resources

Get the facts you need to make informed decisions about your reproductive health. Our media library lets you explore the science and stories behind our innovative fertility treatment options. Get doctor's video answers to your fertility questions in our app's media section.

## Fertility Concierge

Empathy is at the center of our commitment to service. Our patient care advocates are here to support you throughout your fertility process. They'll listen to your needs, offer solutions, and connect you with the right doctor.

## Price Transparency

With unprecedented pricing information and exclusive rates, you'll have the power to make choices that fit your needs and your budget. Get treatment from top clinics and providers without facing unwanted surprises down the road.

## Mobile App

The Progyny App puts fertility experts at your fingertips. It's easy to access our fertility provider network, talk to a fertility concierge, make an appointment, explore our media library, and get answers to commonly asked questions.

## Fertility Consultations

Establish baseline readings, get a diagnosis, and explore fertility treatment and preservation options with a consultation from one of our knowledgeable treatment providers.

## Fertility Preservation

Sometimes living life in the driver's seat means that motherhood needs to happen a little ways down the road. Our affordable egg freezing procedures let you decide when the time is right to have or expand your family.

## IVF Packages

You deserve better fertility solutions. That's why we offer no-restriction In Vitro Fertilization (IVF) package plans that give you access to innovative embryo selection technology, including embryo screening and single embryo transfer, that can greatly increase the odds of a successful pregnancy.

## IUI Treatments

Intrauterine insemination (IUI) is an affordable option for families who are trying to conceive. Our IUI treatment options come with a full fertility workup to help ensure the best chance for success.

## Surrogacy Plans

Whether you're planning on working with a known carrier or a surrogacy agency, our plans have you covered. Our expert team is ready to help you explore the best options for gestational care.

## GETTING STARTED

If you're ready to get started, we're ready to talk. Our patient care advocates can be reached by phone Monday through Friday, 9 AM-6 PM PST, or send us an email.
