Floating Side Table

Designed to pair specifically with the Classic Bed and Essential Bed, the Floating Side Table keeps necessities close with a subtly curved, space-efficient form. Crafted from upcycled rubberwood with cork padding for durability and longevity.

For Classic Bed

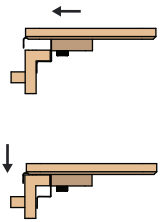

Step 1

Using the short screw, fasten the bracket to the outermost hole on the Floating Side Table. Tighten by hand.

Step 2

Align the bracket to the rail of the Classic Bed, and press it down fully.

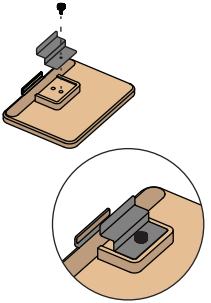

For Essential Bed

Step 1

Using the short screw, fasten the bracket to the innermost hole on the Floating Side Table. Tighten by hand.

Step 2

Align the bracket to the rail of the Essential Bed, and press it down fully.
