Let’s get together.

Stone Table Lamp

www.thuma.co

Important Safety Instructions

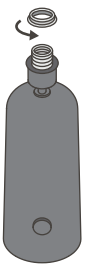

Please read all instructions carefully and completely before beginning assembly or use. For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other). If the plug does not fit securely into your outlet, do not force it and instead contact a professional electrician. Never use with an extension cord unless the plug can be fully inserted. Never alter the plug in any way. This fixture has been rated for up to one (1) 6 Watt Maximum E26 LED bulb. To avoid the risk of fire, do not exceed the recommended wattage. Do not operate the lamp if the plug, cord, or socket is damaged. This lamp is meant for use in a dry, domestic, indoor environment only.

Warning

To avoid the risk of fire, electrical shock or personal injury, always turn off and unplug the lamp and allow it to cool prior to replacing or cleaning the light bulb. Do not touch the bulb when the lamp is turned on. Do not look directly at the lit bulb. Keep flammable materials away from the lit bulb.

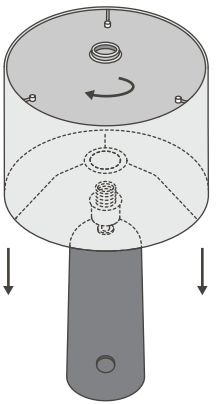

Step 1

Unscrew the washer from socket.

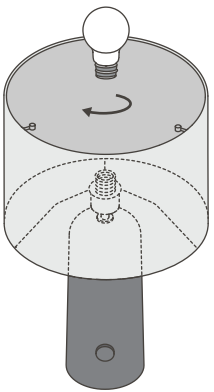

Step 2

Place the lampshade's metal ring over the socket and secure with washer, flat side down.

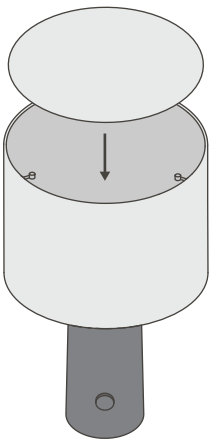

Step 3

Rotate clockwise to insert lightbulb.

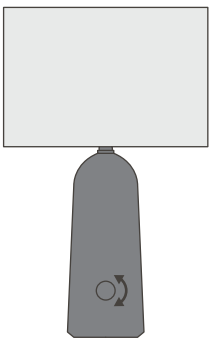

Step 4

Place the diffuser on top with flat side up.

Step 5

Rotate knob to adjust brightness.

Care Instructions

Wipe the stone surface gently with a soft, dry lint-free cloth to remove daily dust. For stubborn stains, use a slightly damp soft cloth with neutral mild cleaner, and wipe dry immediately. Do not use corrosive chemicals, strong detergents, alcohol or abrasive cleaners.

Avoid hard scratching, knocking or heavy extrusion to prevent stone cracking and damage. Keep the light fixture away from long-term direct sunlight, high temperature and humid environment.

Do not disassemble the lamp structure arbitrarily; any maintenance shall be operated by professional personnel.

Enjoy.

Light a candle, play some jams, pour a refreshment.
