Felt
Bed Sleeve

Thoughtfully designed to holster your latest read, laptop, or tablet. Keep items conveniently within reach, off the floor, and out of harm's way. The Sleeve is made of 100% wool felt, paired with an upcycled rubberwood rod in a natural finish.

Step 1

Remove The Sleeve and rod from packaging. Keep separate for now.

Step 2

Thread each upper arm of The Sleeve through openings in the slats, ensuring the front pocket is facing out. Weave the rod through The Sleeve's arm openings, underneath the slats.

Step 3

Pull The Sleeve tight over the side rail of the Classic Bed and Essential Bed. Ensure the rods is threaded in between both arms of The Sleeve
