Please note that the number of pieces may differ based on the configuration purchased.

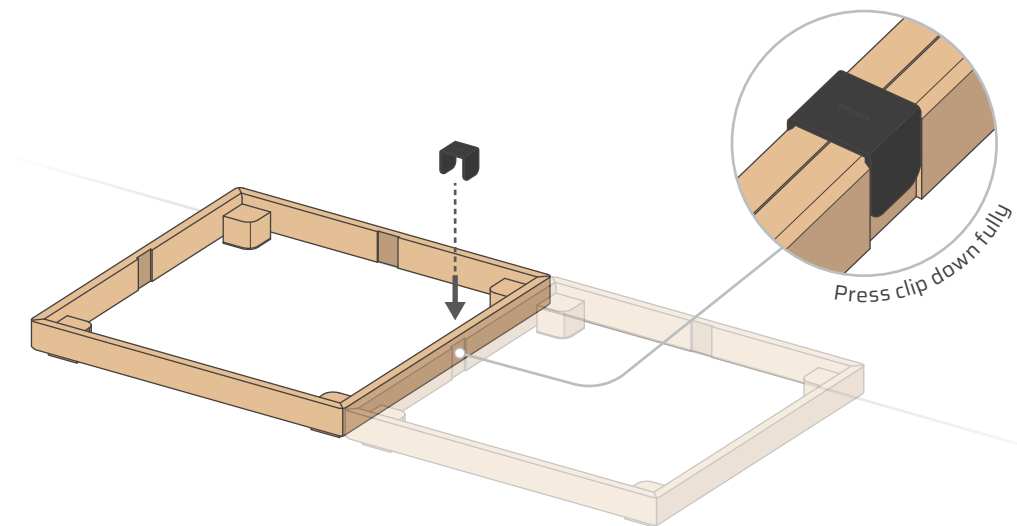

Step 1

Lay out the **base units** in the desired configuration and placement.

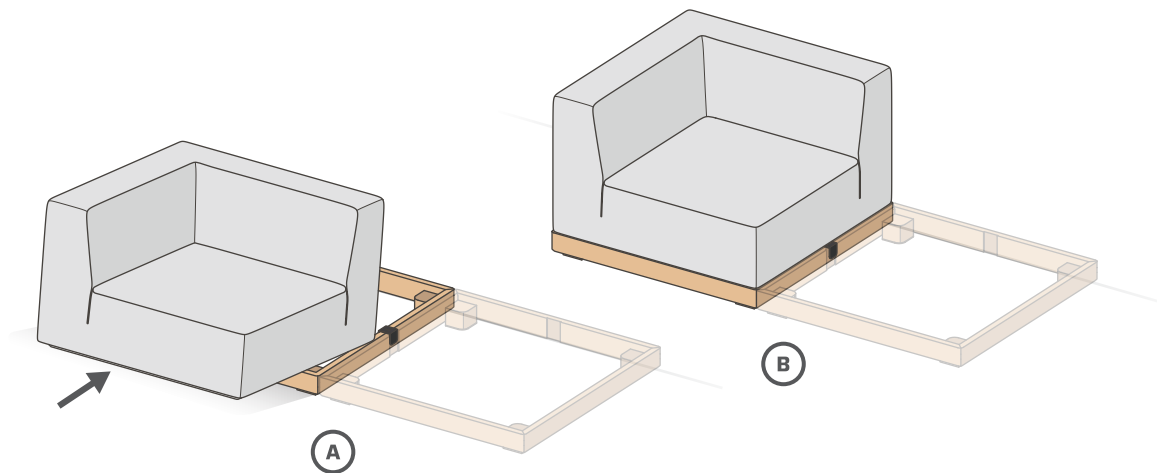

Step 2

Align one **clip** with the two notches of adjoining base units. Press down fully to secure. Repeat this step until all base units are connected.

Step 3

A-B. Slide the **seat unit** into its corresponding base unit. Repeat this step for all seat units until purchased configuration is set up.

Maintain lasting comfort and shape.

To keep the sectionals looking and feeling their best, we recommend occasional care to refresh their shape.

1. Smooth and pull fabric taut along edges.
2. Securely tuck fabric between the seat and backrest.

For care instructions, see material label.

Enjoy.
