Important Safety Instructions

Please read all instructions carefully and completely before beginning assembly or use. For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other). If the plug does not fit securely into your outlet, do not force it and instead contact a professional electrician. Never use with an extension cord unless the plug can be fully inserted. Never alter the plug in any way.
This fixture has been rated for up to one (1) 6 Watt Maximum E26 LED bulb.
To avoid the risk of fire, do not exceed the recommended wattage.
Do not operate the lamp if the plug, cord, or socket is damaged.
This lamp is meant for use in a dry, domestic, indoor environment only.

Warning

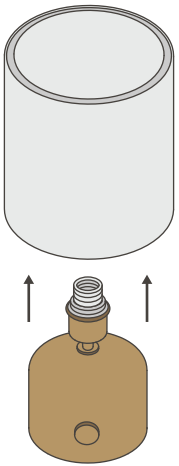

To avoid the risk of fire, electrical shock or personal injury, always turn off and unplug the lamp and allow it to cool prior to replacing or cleaning the light bulb. Do not touch the bulb when the lamp is turned on. Do not look directly at the lit bulb. Keep flammable materials away from the lit bulb.

Care Instructions

Wipe clean with a soft, dry cloth or static duster only. Always avoid the use of polishing agents, harsh chemicals or abrasive materials when cleaning as they may cause damage to the lamp.

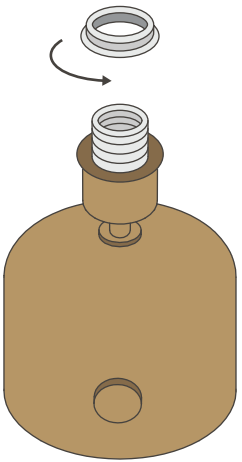

Step 1

Remove lampshade from base.

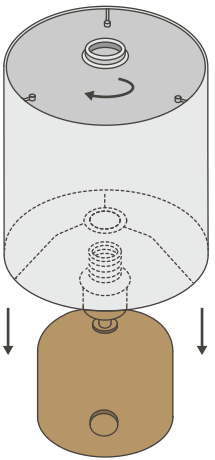

Step 2

Unscrew the washer from socket.

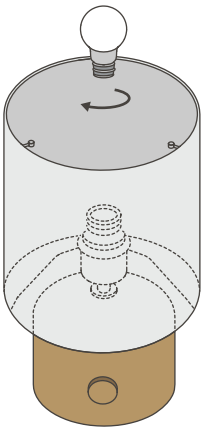

Step 3

Place the lampshade's metal ring over the socket and secure with washer, flat side down.

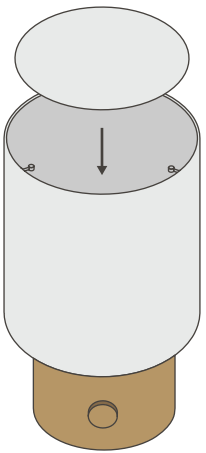

Step 4

Rotate clockwise to insert lightbulb.

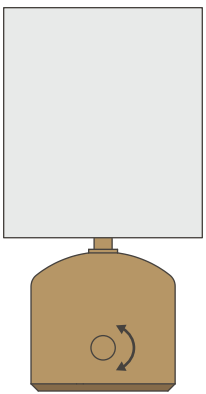

Step 5

Place the diffuser on top with flat side up.

Step 6

Rotate knob to adjust brightness.

Enjoy.
