Leather Sofa Sleeve

Bringing added functionality to the Essential and Signature Sectionals, the Leather Sofa Sleeve was thoughtfully designed to keep items conveniently within reach, off the floor, and out of harm's way. Crafted from 100% genuine leather.

For Essential Sectional

Firmly push the anchor panel of the leather sofa sleeve into the gap between the seat unit and back of the sofa, ensuring the front pocket of the sleeve is facing outward.

For Signature Sectional

Remove the seat cushions.

Align the insert of the leather sofa sleeve with the internal bottom edge of the sofa, ensuring the front pocket of the sleeve is facing outward.

Put seat cushions back in place.
