

The inviting "Spring Blooming Style" invites us

In the middle of winter: DEPOT is letting springtime in

Niedernberg, February 3rd, 2022 - DEPOT is celebrating its anniversary all year long with unique products and memorable sales campaigns. After all, 25 years is truly a great reason to celebrate. We'll get started with, what else? Spring! As the days grow longer slowly but surely, and the temperatures climb tentatively, day by day, spring wafts into our homes and apartments. Open your eyes: The Spring Blooming Style is here - and is the perfect choice for driving those winter blues out of your home. Germany's leading decor and furnishings specialist has trendy vases, stylish flowers, and perfectly shaped wreaths as well as decorative wreaths??which you can individually design to match your own personal taste. Just a touch of playful cheer, with an understated and stylish look.

From magnolias to cherries - something's blooming

With over 600 varieties available in nature, DEPOT's version is absolutely one of a kind: This impressive, 73 centimeter long artificial branch of eucalyptus is a true all-around choice for your decor. The typical green and blue shade dominates on the round counter piece as well, the artificial eucalyptus wreath. Starting in April, the splendid magnolia and shimmering cherry blossom create a palette of fresh colors and a magical display of blossoms - at DEPOT, this pair of artificial branches is in season now. The pale artificial wreath serves as a true messenger of spring, whether on your home or apartment door, or indoors hanging on the wall. A truly evergreen choice, with potential for use even after spring, is the versatile dry flower bouquet

From the colorful world of stylish vases

The large balloon vase looks great in any room and with any decor style. The figure model is a little work of art on two feet. Hole, also made of dolomite and hand-made as well, and the beautiful amphora are two other examples of the diverse and colorful world of vases. Black, gold, and white: With these three colors as a base, the decorative metal ring has everything you need to discover your DIY decor style thanks to its little strands of lights, the decorative feather set tulum, artificial floral designs, eucalyptus or pampas grass made of 100 percent dried fruit. Spring is coming! With DEPOT, it's already here / it has already arrived

About DEPOT

The Gries Deco Company, with the two strong brands DEPOT and ipuro, is one of the largest decoration and furnishing specialists in the German-speaking world today. The company currently employs around 6,500 people and has opened 500 DEPOT branches (including partners) in Germany, Austria and Switzerland.
