How the fund works

The Fund provides a diversified exposure to money market and short duration fixed income securities through a carefully selected portfolio of investments.

When you invest your money in the Fund, your money will be pooled together with other investors' money. We use this pool to buy investments and manage them on behalf of all investors in the Fund. This means that by investing in the Fund you have access to certain investments that you may not otherwise be able to access on your own, as well as the knowledge of the skilled underlying investment managers through which the Fund may invest. ClearView Financial Management Limited (CFML) retains day-to-day control over the operation of the fund.

About the manager(s)

CFML outsources the management of the CFML Money Market Fund to First Sentier Investors. First Sentier Investors is one of the largest managers of cash funds in Australia. The CFML Money Market Fund invests in a range of money market securities, including negotiable certificates of deposit, convertible term deposits, residential mortgage-backed securities and asset-backed floating rate notes, deposit accounts and overnight cash deposits.

Important Information

1. The FE Peer Group is the group of all funds within the relevant FE fundinfo category that each product is compared against.
2. Performance figures in this report are compiled by HFML using data from FE fundinfo. Performance may differ from HUB24 performance. Please contact HFML for further information. Performance data is after fund manager fees, but before other applicable fees or taxes and assumes the reinvestment of dividends. Past performance is not indicative of future performance. Due to the flexibility of rebalancing and variations between accounts, performance shown is indicative only and assumes rebalancing occurs at the end of each calendar month, and that there are no deposits, withdrawals nor exceptions to regular rebalancing in the model portfolio.
3. Asset class breakdown and geographic allocation may not add to 100% due to rounding and/or investment strategy.
