

## Get 90-day supplies of your prescriptions at all network pharmacies

At Blue Shield, your health is what matters most. During this challenging time, we would like to remind you to ask your doctor or pharmacist for a 90-day supply<sup>1</sup> of your maintenance medications.<sup>2</sup>

Our pharmacy network has pharmacies offering standard cost-sharing and others offering preferred cost sharing. Save money with a 90-day supply at pharmacies offering preferred cost sharing, including select retail pharmacies listed below. Our mail service pharmacy also offers up to a 90-day supply, and the amount you pay may be less than at a standard cost-sharing pharmacy.

Using our mail service pharmacy also limits contact with others - helping keep you and our communities safe.
