32nd Scholarship Year!

Andrew J. Lum & David R. Juillet Young Artist Scholarship Competition

In 1991 the Ann Arbor Concert Band established a Scholarship Competition for high school students who are outstanding wind and percussion instrumentalists. The winner of the award received a scholarship award as well as the opportunity to perform with the band on the final concert of the season. The generosity of David R. Juillet, a founding member of the Ann Arbor Concert Band, made the first awards possible. In July 1993 the family of Andrew J. Lum, a promising musician and football player at Ann Arbor Huron High School, and Andrew's mentor, Mr. Juillet, established the Andrew J. Lum Young Artist Scholarship Fund at the Ann Arbor Area Community Foundation (AAACF) in Andrew's memory, when he died unexpectedly. This permanently endowed fund was established to ensure funding of the \$1000 scholarship award. David Juillet's name was added to the award after his death in 1994.
