Potential Elevated Flare Due to Maintenance

The Burnaby refinery will be shutting down operations temporarily to conduct maintenance work starting Friday December 13th. During this time, nearby residents may notice a higher-than-normal flare and potential noise from the flaring.

The Refinery is committed to safe, reliable, and efficient operations. All safety and environmental protocols are being followed, and all required regulators have been notified.

For more information, please contact our community phone at 604-257-4040 or the on-duty shift supervisor at 604-257-4926.
