Potential Elevated Flare as Refinery Prepares to Resume Operations

The Burnaby Refinery's planned scheduled maintenance is coming to a close and will resume operations starting Monday February 17th. As the refinery brings machinery and equipment safely online over the course of several days, nearby residents may notice increased flaring and potential noise.

The Refinery is committed to safe, reliable and efficient operations. All safety and environmental protocols are being followed, and all required regulators and stakeholders have been notified.

For more information, please contact our Community Relations team at CommunityBC@parkland.ca or 604-257-4040.

Nick Middleton, Director of Operations
