customer & driver responsibility

At Chevron, the safety of our customers and staff is paramount.

As a Chevron Cardholder we want to ensure that you are armed with the tools required to assist you in the case of an emergency at one of our sites.

To that end, we would ask you to review the content in this document with each cardholder.

As required in the BC and Alberta Fire Codes, ensure your staff / drivers are trained on an annual basis on the safe operation of our Cardlock equipment and emergency procedures as outlined in this document.

Chevron Cardlocks are for commercial fuelling only and NOT open to the general public.

observe safety and operational signage

Review the Cardlock Operating Instructions posted at each Card Reader before fuelling

fuelling at the cardlock

Fuelling Instructions:

- Ensure you follow the written fuelling procedures posted at the card reader
- Swipe your commercial card at the card reader
- Follow instructions on the screen
- Select the correct dispenser – note the pump number
- Fuel up your vehicle – ALWAYS ATTEND THE NOZZLE – follow procedures posted at each card reader
- When fuelling complete, hang up nozzle and print your receipt by carding in again

info stop sign – in case of emergency

Each of our Cardlock locations has an Info Stop sign which provides the following in the event of an emergency:

- Emergency instructions c/w phone numbers
- Fire extinguishers
- Site safety plan
- Emergency Stop Button

Please locate the Info Stop Sign BEFORE fuelling

Take appropriate action in event of an emergency:

- Clear area
- Push Emergency Stop Button
- Call Fire Department 911
- Call Parkland Emergency Information Centre
PEIC 1-877-500-4328

customer responsibility

Final Words – “Be Responsible”

- Avoid spills and leave the site clean for the next customer
- Ensure that each of your Cardlock cardholders reviews and acknowledges this training on an annual basis
- Ensure that you maintain training records for each person authorized to dispense product at our Cardlock facilities in BC and Alberta
- If you would like additional information on the safety procedures or correct use of equipment, please contact your local Chevron Cardlock Operator for more details.

how to use your cardlock card
