

Lürssen Presents

AHPD

HAUTE SAILING

Alexis Says...

Lürssen Yachts revealed another spectacular show stopper, the AHPO, at the 2022 Monaco Yacht Show. With Lüssens long history in innovation it's not surprising the AHPO was built for a repeat client. Peruse our pages to feast your eyes on this exquisite sea vessel. Enjoy! ~Alexis Day

HAUTE SAILING

Name:	AHPO (Project ENZO)
Length over all:	115.1 m / 377'6"
Beam overall:	18.3 m / 60'
Builder:	Lürssen
Exterior Designer:	Nuvolari-Lenard
Interior Designer:	Nuvolari-Lenard

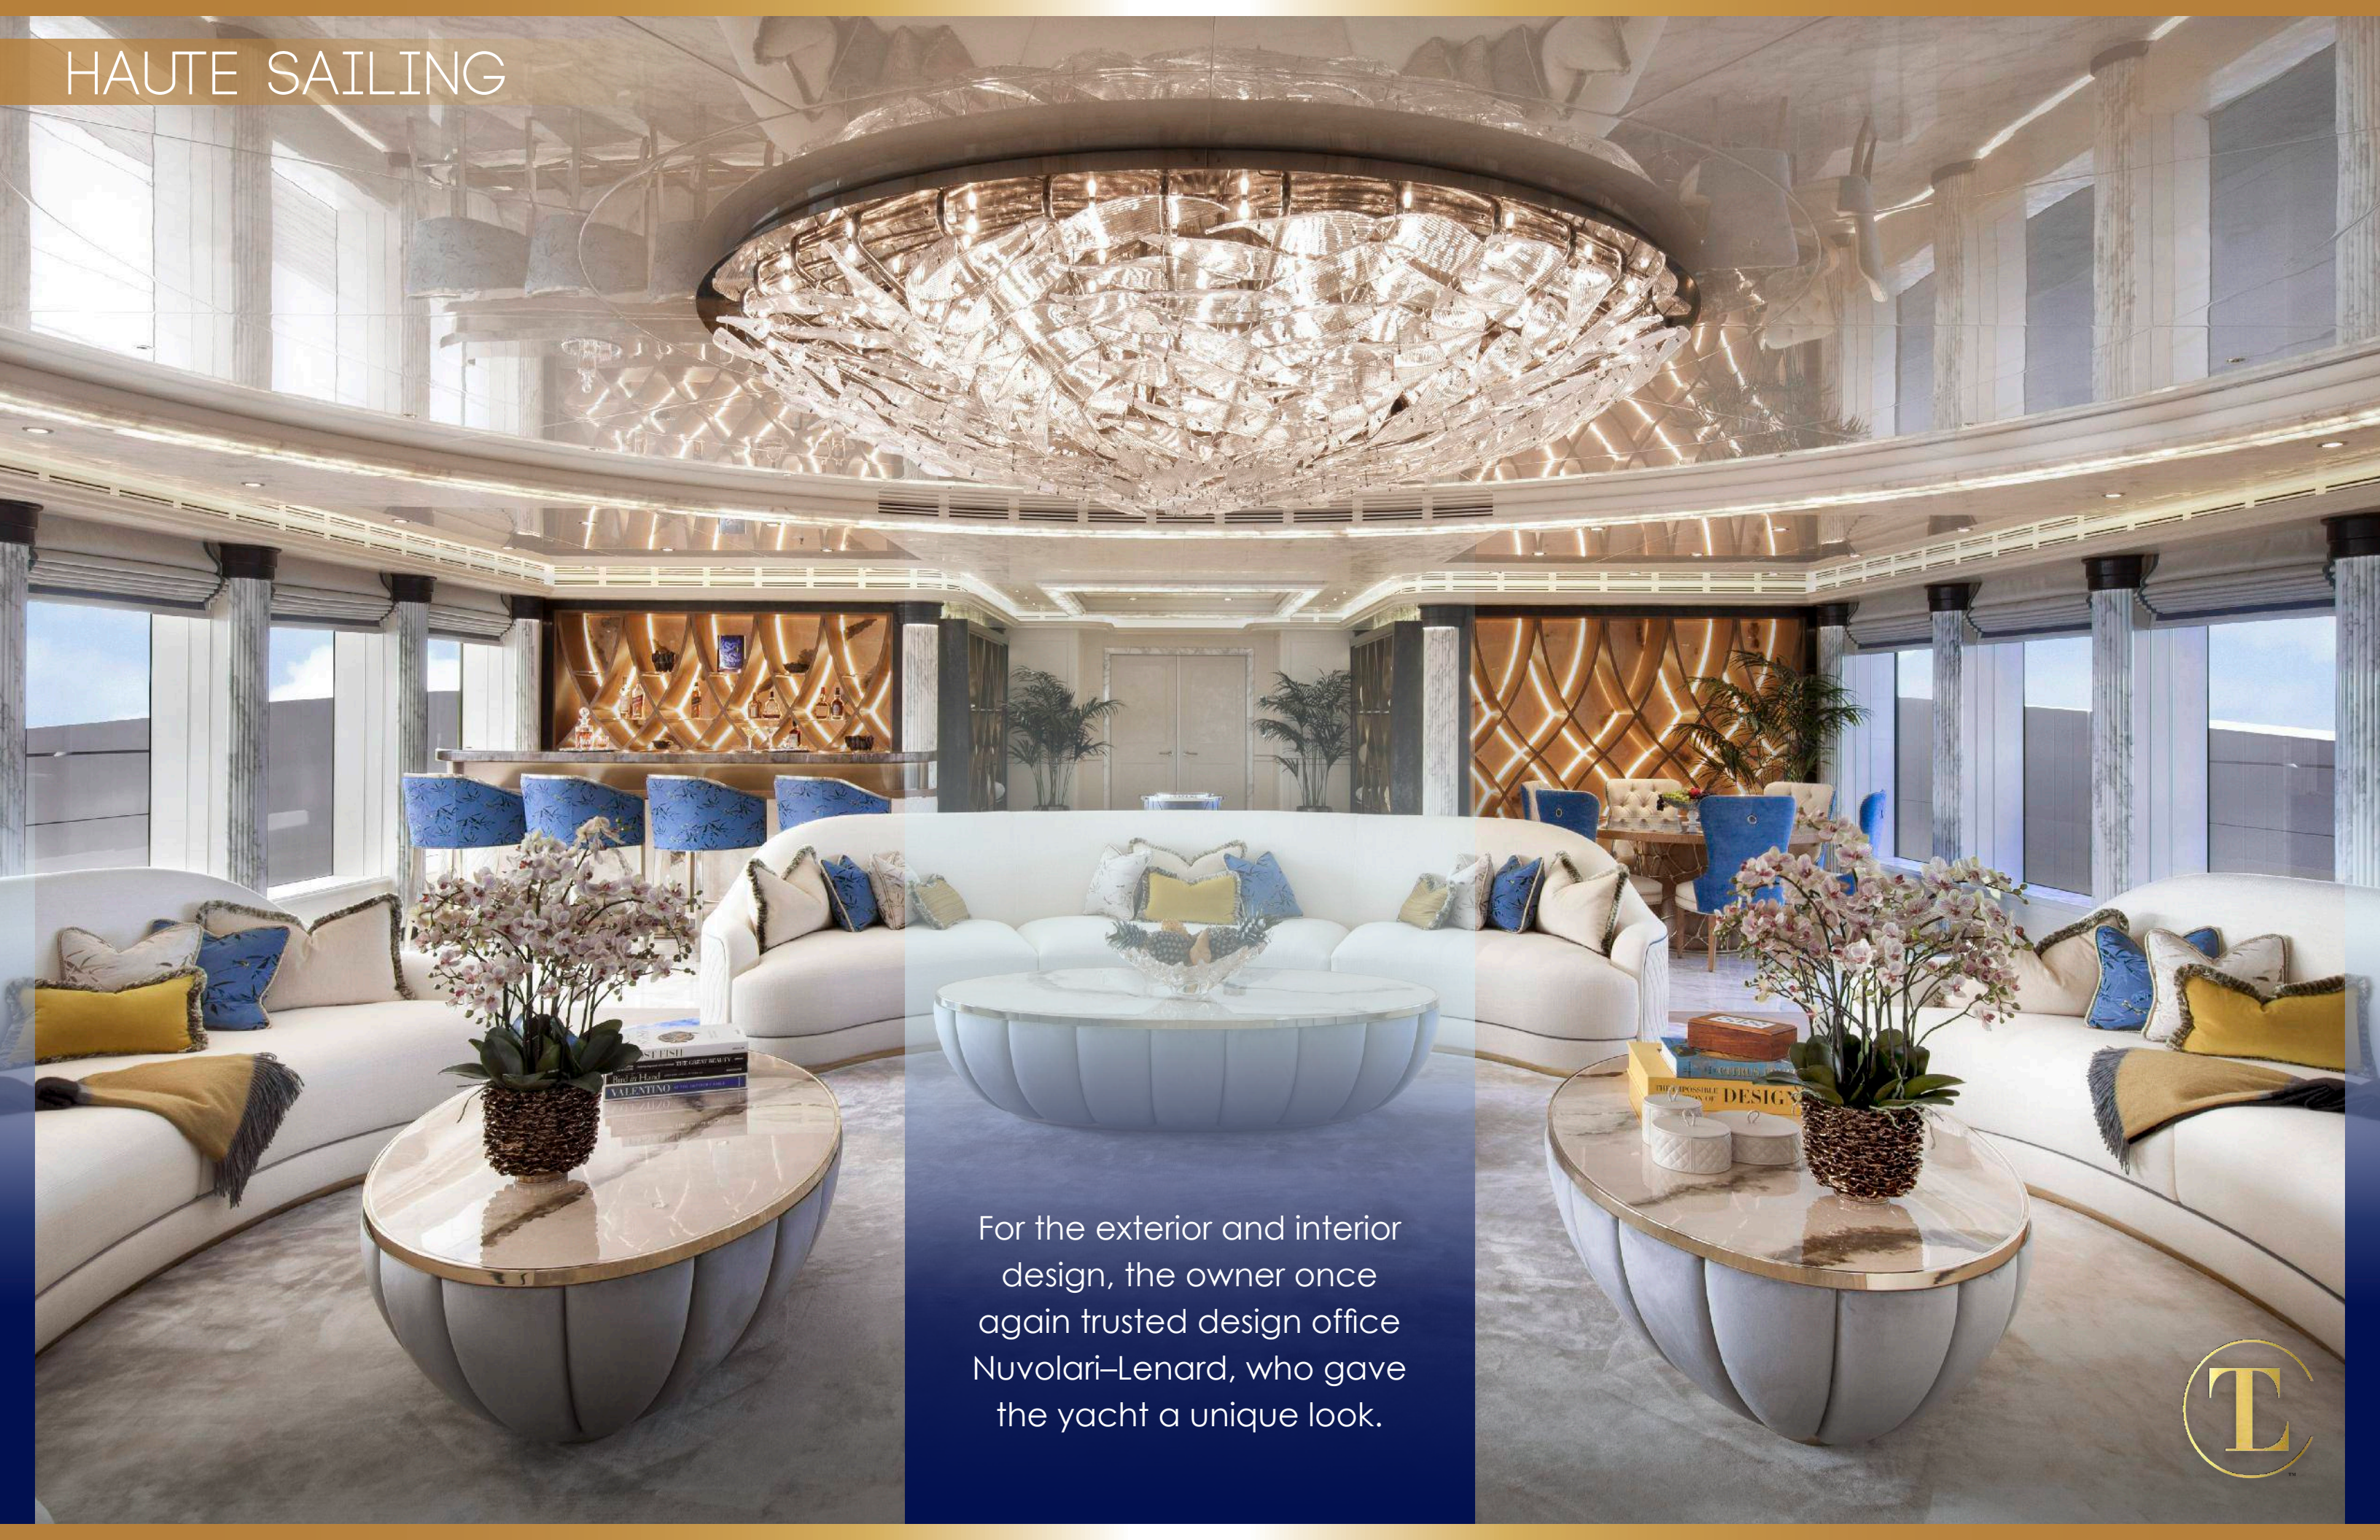

HAUTE SAILING

Lürssen delightedly displayed AHPO at the Monaco Yacht Show 2022. After her delivery in November 2021, she has spent her first season in the Caribbean and is currently cruising in the Mediterranean. She had her world debut at the show and as the largest yacht, she was the queen of the exhibition.

HAUTE SAILING

For the exterior and interior design, the owner once again trusted design office Nuvolari-Lenard, who gave the yacht a unique look.

HAUTE SAILING

AHPO has been built for a repeat client who previously owned an 86-metre Lürssen and required top-notch design and engineering as well as seagoing comfort for his family.
