

Egg Crate Grilles

Polyaire Model REM-C Eggcrate Grilles are normally used in ceiling return air and exhaust applications.

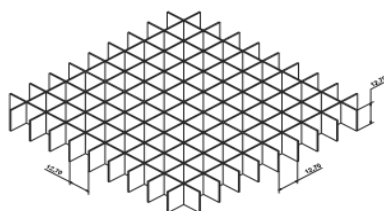

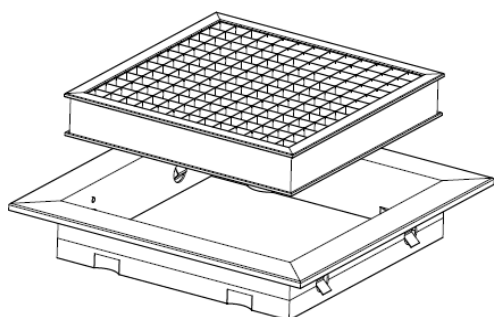

Construction: The frame is made from aluminium extrusion, which supports the removable aluminium square pattern lattice core.

Standard finish is powder coat white (RAL9010) while other finishes are available to suit the interior and architectural design requirements.

Model REM-C are available in stock sizes and can also be manufactured to order in a wide range of sizes (manufactured to order may differ slightly from picture)

ITEM #	SIZE mm	Neck A-A	Face B-B	Height H
