Apprenticeships using an AAT pathway follow a day release study pattern.

Apprenticeships using an ACCA or ICAEW pathway will follow a timetabled block release pattern.

Pathways to Chartered Status (Level 7)

Fully Funded Apprenticeship

The Apprenticeship route allows employers to maximise funding and training ROI, while apprentices receive dedicated skills-coach support and develop the knowledge, skills, and behaviours needed to succeed.

Available with

ACCA ICAEW

Age

Under 25 years old*

Duration

Approx 42 months**

Commercial Plus

Enjoy the full support of an apprenticeship, including coaching and learner guidance, without the requirement to complete an End Point Assessment.

Available with

ACCA ICAEW CIMA

Age

Suitable for persons of any age

Duration

Approx 36 months**

Commercial Only Training

The Commercial Only pathway is ideal for learners who want to focus solely on their professional qualification, supported by flexible study options.

Available with

ACCA ICAEW CIMA

Age

Suitable for persons of any age

Duration

Approx 24 months**

Professional Skills Programme

Available at all levels, alongside an apprenticeship, combined with a commercial course, or as a standalone option.

Enhance workplace knowledge and skills with our Professional Skills Programme, tailored to your organisation's needs, designed to build the human and business capabilities employers value most in accountants.

Develop strengths in communication, collaboration, critical thinking, ethics, and emotional intelligence, alongside commercial awareness, leadership, problem-solving, digital and data literacy, and project management.

Loyalty Progression Discount

Following a full or part commercial pathway?

Completing a Level 4 programme (apprenticeship or commercial) with us allows you to gain exclusive access to this loyalty discount towards obtaining **Chartered Status**.

Enrol for these courses at Reed Business School to secure the discounts.
