

# Groups at Highland Base: All You Need to Know

We hope your group is looking forward to a thrilling time at Highland Base. To ensure everyone's experience is both fulfilling and worry-free, here are some insights we would like to share:

## Traveling to Highland Base

While Kerlingarfjöll is accessible by car in the summer, the highland routes are not serviced during the winter, with 4x4 super-jeep transfers being the only mode of transport. This restriction is in place from the 1st of October until the 14th of June each year, so plan your journey accordingly. Contact [sales@highlandbase.is](mailto:sales@highlandbase.is) if you would like to book a transfer.

## The Highland Base Baths

Our geothermal baths are open daily from 8 AM to 10 PM, with the hours of 8 AM to 12 PM reserved for guests of the hostel, hotel, and lodges. We recommend utilizing the baths at staggered timings for a more relaxed and personal experience.

## Energizing mornings

Our breakfast service runs from 7 AM to 10 AM. Staggered arrival times will facilitate a smooth and enjoyable start to your day. For groups wishing to dine collectively, kindly provide a confirmed time in advance.

## Dining

Our 80-seat restaurant offers hearty cooking and captivating views of the Kerlingarfjöll wilderness. Given the dining capacity, it is imperative to confirm your dinner plan in advance for a seamless and pleasurable feast.

## Adventures

Our activity coordinators can host only a specific number of guests each day. We suggest pre-scheduling your group activities to assure availability and guarantee an unforgettable experience.
