

Notice to Competitors #03

Gotland Runt Offshore Race 2026

Gotland Runt Course

Date: 2026-06-28

Time: 11:00

The information refers to unstable weather conditions

Due to unstable weather conditions and risk for strong gusty winds, potentially above 50 knots at the start, the Race committee follows the development of the weather carefully.

The Race Committee intention is to delay the start for all starting groups by two hours.

Our intention is to have first start at 16.00, but the Race Committee will give additional information regarding the starting times at 12.00 hrs.

Håkan Andersson

Chairman of the Race Committee
