

Amendment to Notice of Race #03

Gotland Runt Offshore Race 2026

Gotland Runt Course

Date: 2026-06-27

Time: 21:20

The amendment refers to scoring option for ORC international

Change of text in NoR 10.3 and amendment #1

Due to unstable weather conditions and risk for weather model results discrepancy, the race committee will change scoring model for ORCi.

NoR 10.3. ORC International (ORCi):

~~ORCi results will be determined by corrected times calculated by the Time on Time calculated by the Weather Routing Scoring as provided by the ORC, or if deemed to be unreliable before the start by RC, the ORC Single number Time on Time for All Purpose Handicap (APH). List of ratings will be published not later than 1 hours before the start.~~

ORCi results will be determined by corrected times calculated using the *All Purpose Time on Time Single number* with the corrected times calculated from each boats sailed time multiplied with the ToT number according to ORC 403.2

The decision on the scoring method and scoring parameters used will be at the sole discretion of the race committee and together with length of course, directions of leg and wind direction, and speed will not be grounds for request for redress. This changes RRS 61.1(a).

Håkan Andersson

Chairman of the Race Committee
