15 October 2021

## **CHANGE OF AUDITOR**

The Company advises that there has been a change of auditor as follows:

Outgoing auditor: BDO East Coast Partnership

Incoming auditor: BDO Audit Pty Ltd

The change of auditor was required as a result of the reorganisation within the BDO network whereby in 2020, BDO became a national firm rather than a group of state-based firms. As a result, the entity within the BDO network undertaking the audit has change from a partnership to a company. The change in entity will not result in any material change to the BDO staff involved in the audit and the BDO partner previously responsible for the audit will continue to be responsible for the audit as a director of BDO Audit Pty Ltd.
