TRIALS CLOSES:**

OCTOBER 7TH, 5PM, 2026

ELIGIBILITY FOR WABL 2027

To be eligible to participate in trials and be selected in a Rockingham Flames team, the player must be playing in Rockingham Basketball Association's 2026 Winter Domestic season and/or be registered and financial for the 2026/2027 Summer Season. If a player does not meet this requirement, they will not be able to participate without a High Performance Manager's (HPM) exemption. Eligibility checks will be run on all players.

SELECTION OF TEAMS

- WABL is a year-long commitment. Tryouts are held early October. State Champs are held November/December. WABL pre-season runs November to March. WABL runs from April to August, with finals in September.
- If you would like to be considered for a WABL team in 2027, you must participate in the State Champs trial process, even if you are unable to play.
- If you are unable to attend a session, you will need to complete an exemption form.

HOW TRIALS WORK

- Tryouts will be between 3–8 sessions depending on factors such as tryout numbers and team rank.
- Trial squads will be reduced and cut during the tryout process, at the end of each session. Parents will be informed within 48 hours of the session ending by the High Performance Manager if their child has been cut.
- Teams will be selected by the Head Coaches in the age group, in conjunction with the High Performance Manager.
- Emails will only be sent if your child has been cut, or at the end of trials if your child has successfully made a team. If Team 1 is announced but your child is still trialling, your child remains in the Team 2–4 trial phase and an email will only be sent once those teams are selected.

STATE CHAMPIONSHIPS COURT TIME

- Due to the nature of the State Championships, and how short the games are, not every player selected is guaranteed to play in every single game.
- Flames players are entitled to play in at least 3 State Championship games, assuming the player meets the team's expectations with regards to behaviour, attitude, and attendance.
- The Head Coach will determine the total amount of court time given.

EARLY 2027 — INTO WABL GRADING

The 2026 State Championship teams will come back together inside their own age groups early in 2027, where coaches can tweak their squads, before naming their 2027 WABL Teams.

This process is allowing coaches to move players up or down based on team personnel, State Championship form etc.

FURTHER CUTS ARE POSSIBLE

Whilst we are permitted to take 5 teams per age group into most State Championships categories, we can only take up to 4 during the WABL season. As such, more cuts may need to be made to accommodate this.

Teams will be selected by the Head Coaches in the age group, in conjunction with the High Performance Manager.
