Product:
SIGNAL IDUNA AB GUV 2019

This sheet is for your information only and gives you a brief overview of the essential contents of your insurance while driving with E-Scooters from Bolt Services DE GmbH

What type of insurance is it?

This is an accident insurance policy for you as the driver.

It covers risks due to accidental injuries that arise from the use/rental of an e-scooter from Bolt Services DE GmbH.

What is insured?

Accidents are **insured**. An accident occurs, for example, if the insured person is injured because he or she trips, slips or falls. We offer the following types of benefits in particular:

Cash benefits

One-time disability benefit already from a degree of disability of 1 % in the case of permanent impairments (e.g. restricted mobility).

✓ **Lifelong** accident pension already from a degree of disability of 50%.

Reimbursement of costs for search, rescue and recovery operations.

✓ **One-time** accident pension capital already from a degree of disability of 35 %.

✓ **Professional** rehabilitation management.

Services

✓ **Service package**

We will agree the types of benefits and the sums insured with you in the insurance contract.

What is not insured?

XDiseases (e.g. diabetes, joint arthrosis, stroke)

XCOSTS for medical treatment XSpecific damage (e.g. glasses, clothing).

Are there any coverage limitations?

Not all conceivable cases are insured. Excluded from the insurance cover are, for example:

! Accidents due to drug use

! Accidents during the intentional commission of a criminal offence.

! Damage to intervertebral discs.

If the consequences of an accident and illnesses coincide, benefits may be reduced.

Where am I insured?

✓ **You** In Germany and only and exclusively while driving as a registered and approved renter with an e-scooter from Bolt Services DE GmbH.

What obligations do I have?

- You must answer all questions on the notice of claim truthfully and completely.
- You report the damage directly to Bolt or to Signal Iduna.
- After an accident, you must see a doctor immediately and inform us of the accident.

When and how do I pay?

You pay the premium for the use of the e-scooter and for the additional accident insurance directly via the Bolt app.

When does the cover begin and end?

The insurance begins with the activation of the rented e-scooter from Bolt Services DE GmbH.
The insurance is valid for the duration of the ride with the e-scooter and no longer.

What do I have to be careful about

- Do not drive drunk
- Only the driver/renter is insured while driving
- The use of the e-scooter must be in accordance with the GTCs
