- h. You are fully responsible and liable for any breach by you of these Terms or the law whether caused or allowed by you or another Service Provider associated with your account, except where caused by Bolt's negligence, fraud, failure of the Bolt Platform or where compliance with these Terms would result in a breach of applicable law or regulation. If any Bolt Party or any authority notifies you of a breach of these Terms or any law by you, you must immediately stop and remedy such breach.
- i. You agree to fully reimburse the Bolt Parties for any claims or losses that they suffer as a result from use of the Bolt Platform and provision of the Services in association with your account, including those claims or losses which result from:

- f. Where Bolt gives you notice in accordance with Section 8.e, you will be provided with reasons for this at least 30 days before the termination takes effect and you will have an opportunity to register a complaint with Bolt as set out in Section 9.a. If following review, the termination is considered to be wrongful, access to the Bolt Platform can be restored, which Bolt will confirm in writing.
- g. Bolt will not provide you with notice of the termination of its relationship with you and can terminate it in its entirety or in respect of a specific Service under Service specific Terms immediately if:

- g. These Terms are between you and Bolt. No other person will have any rights to enforce any of its terms. None of us will need to get

the agreement of any other in order to end the relationship or make any changes to these Terms.

10. Journeys: roles

- a. Bolt accepts Journey booking requests from and provides private hire transportation services to Passengers. Bolt's provision for the invitation or acceptance of bookings for Journeys is made under its relevant Operator Licences where applicable. Nothing contained in these Driver Terms will be construed as or have the effect of any Driver inviting or accepting bookings from Passengers pursuant to these Driver Terms.
- b. You shall act as our contractor to fulfil Journeys as a Driver on our behalf at your absolute discretion. All Journeys associated with your account are to be fulfilled in accordance with these Terms.
- c. A Driver is free to:
 - i. elect to fulfil or reject any offers to fulfil Journeys through the Driver App; and
 - ii. provide passenger transport services independently from these Driver Terms, including using other software services whether competitive with Bolt or otherwise, in their absolute and sole discretion.

Bolt recognises that Drivers may use other software services, and any other lawful means, to provide services of any sort, including those relating to transportation, other than to Bolt, at all relevant times.

- d. You are responsible for providing all equipment necessary to fulfil the Journeys associated with your account at your own expense.

This includes relevant licences, the vehicle, fuel, electricity charging costs, tolls, appropriate insurance cover, internet enabled mobile device and any depreciation of the vehicle.

- e. Your engagement by Bolt as a Driver will be as a self-employed and independent contractor. You are solely responsible for any tax obligations (for example, income tax or national insurance contributions) that you incur as a result of fulfilling Journeys in association with your account. To the maximum extent permitted by law, you shall reimburse the Bolt Parties from (meaning you will compensate Bolt Parties for) all tax liabilities, claims and penalties that they may incur as a result of your failure to comply with your tax obligations. If you have any concerns, please seek professional tax and accounting advice.

11. Driver applications and commitments

- a. In respect of all applications to Bolt to register you or another individual as a Driver in association with your account, you confirm that you or the relevant individual (as applicable):
 - i. has and will continue to have at all times all the necessary permits, licences, insurances, road tax and authorisations to fulfil the Journeys under these Driver Terms, including a valid right to work in the United Kingdom (including holding a valid National Insurance Number);
 - ii. will fully comply with all conditions and requirements stipulated by any licence permitting the individual to fulfil Journeys; and

- iii. will, at all times while fulfilling Journeys, have valid hire and reward insurance, liability insurance (if applicable) and any other insurance that is required by law for providing passenger transportation services.
- b. The right of any individual to use the Bolt Platform as a Driver is personal to that individual. You must not allow any person to use a personal Driver account that does not belong to them.
- c. Bolt recognises your freedom to engage other individuals licensed to provide private hire services to fulfil Journeys by associating them with your account as a Driver in accordance with these Driver Terms. However, this may not include any individual licensed to provide private hire services who has previously had their account terminated by Bolt for a serious or material breach of contract or who has engaged in conduct which would have provided grounds for such termination had they been a direct party to these Terms. For further information on how to associate other individuals licensed to provide private hire services with your account please contact uk-association@bolt.eu.
- d. When associating any other drivers licensed to provide private hire services with your account, you continue to bear full responsibility for ensuring that your obligations under these Terms are met. All acts and omissions of any drivers licensed to provide private hire services associated with your account will be treated as though those acts and/or omissions were your own. You must ensure that any driver licensed to provide private hire services associated with your account does not put you in breach of these Terms. You are

wholly responsible for the remuneration of any such drivers licensed to provide private hire services associated with your account and the invoicing arrangements as set out in these Terms between you and Bolt will continue to apply.

- e. You understand and agree that Bolt may provide information regarding Drivers, accounts and trip history to law enforcement and regulatory agencies as Bolt deems it appropriate to do so in cooperation with investigations or otherwise including as may be required by any Operator Licences.
- f. After submitting the account application, you will be notified, for example, by email, with additional conditions that must be met in order for you and for any Driver in association with your account to use the Bolt Platform. These conditions shall include owning a GPS-supported mobile device, having the right to use a motor vehicle and satisfying such other checks as may be required for regulatory reasons.
- g. Bolt will review Driver applications and grant individuals access to the Driver App in the capacity of a Driver if they meet the necessary criteria (including any regulatory requirements) to ensure proper operation of the Bolt Platform for Drivers and Passengers. For the avoidance of doubt, Bolt will have no right to reject any application made to associate a driver licensed to provide private hire services with your account where such drivers meet the regulatory and qualification requirements contained in this Section 11.

- h. Bolt will use the Driver App to: (i) communicate with Drivers in relation to possible Journeys they may or may not wish to agree to fulfil; (ii) remind Drivers of various road rules; (iii) send Drivers messages; and (iv) assist Drivers to restrict pick-up areas as per licence terms. The Driver App is the only way in which Drivers:
 - i. can elect to fulfil a Journey and record and process the Journeys performed through the Bolt Platform; and
 - ii. may contact a Passenger who is the receiver of the relevant Journey.
- i. Bolt does not oblige Drivers to: (i) fulfil any Journeys; nor (ii) use the Driver App to go online and receive offers to fulfil Journeys.
- j. In order to ensure Driver and Passenger safety, Bolt may (at its discretion) limit a Driver's access to the Driver App where a Driver has been providing Journeys for long periods.

12. How Drivers receive offers to fulfil Journeys

This Section will only apply to a Driver online on the Driver App.

- a. Bolt may invite or accept Journey bookings from Passengers. Once Bolt has accepted a request for a Journey booking from a Passenger, Bolt will then seek to offer fulfilment of this Journey on Bolt's behalf to Drivers online on the Driver App. Any offer of a Journey will not be exclusive to any Driver and the Journey may also be offered to other Drivers.

- b. Bolt does not guarantee that any use of the Bolt Platform will result in Drivers associated with your account receiving offers to fulfil Journeys.
- c. Bolt will seek to first offer the ability to fulfil the Journey to the Driver with the shortest estimated pick-up time, also taking into account Journey Fees for the most cost-effective Journeys, the category of vehicle selected by the Passenger as well as the applicable Driver's Preferential Allocation Level (where available). If the relevant Driver does not elect to fulfil the Journey within a set timeframe or declines the Journey for whatever reason, the Journey will then be offered to an alternative Driver based on the same criteria (and so on).
- d. It will be up to Bolt to terminate an accepted booking for a Journey with a Passenger if it cannot successfully match a Driver to the relevant Journey.

13. How Drivers can elect to fulfil or reject a Journey

This Section will only apply to a Driver online on the Driver App.

- a. When a Driver receives an offer from Bolt to fulfil a Journey in the Driver App, the Driver may elect to fulfil the Journey or decline the offer.
- b. Information relevant to the fulfilment of the Journey will be provided to the Driver in the Driver App. Before starting a Journey, the Driver must verify that they are fulfilling the Journey to the Passenger shown in the Driver App (or that the Passenger has

expressly confirmed that they allow the relevant individual(s) to be transported for the Journey in accordance with their account).

- c. As part of the Bolt Platform, Passengers may provide feedback on Drivers and the Journeys in the form of ratings. These ratings may be made available to prospective Passengers as part of the User App. You should contact Bolt if you have any issues with such ratings. Bolt shall provide you with assistance on the Bolt Platform including steps to consider taking to help you maintain good Passenger feedback and ratings.
- d. Drivers may fulfil a Journey by any reasonable route, and Bolt does not set any route restrictions. Please also refer to the Minimum Service Standards in respect of Journeys in Section 18.

14. Driver Score

- a. Where the Driver Score feature is available, this Section 14 will apply.
- b. A Driver Score may drop where the Driver does not comply with the Minimum Service Standards set out in Section 18. You can learn more about Driver Score via the Driver App.
- c. Driver Scores may be monitored by Bolt in order to ensure that you are complying with your obligations under these Terms and to preserve the integrity and maintain the operation of the Bolt Platform and Driver App for Passengers and other Drivers. You may be notified if a Driver Score associated with your account drops below a set threshold.

15. Preferential Allocation

- a. Where the Preferential Allocation feature is available, this Section 12 will apply.
- b. Drivers with a higher Preferential Allocation Level benefit from preferential allocation in accordance with Bolt's obligations relating to the Journey offer process as set out in Section 12.c:
 - i. As per Section 12.c, Drivers with a higher Preferential Allocation Level may be offered Journeys earlier than Drivers with a similar ETA but a lower Preferential Allocation Level;
 - ii. Preferential Allocation Levels are not available to Passengers to access.
- c. Further details available on the Driver App.

16. Fares and Journey Fees

- a. Bolt will at all times be responsible for setting Fares which are agreed and are paid to Bolt by Passengers.
- b. Bolt will pay you a Journey Fee for each Journey completed in association with your account. All payments for Journeys take place via the Bolt Platform.

Sections 16.c to 16.e will only apply when a Driver is online on the Driver App and the relevant feature is available.

c. Bolt may offer You the ability to select your preferred means of calculating the Journey Fee we pay to you for each Journey as follows:

- **Dynamic Pricing:** identified by the Bolt Platform, taking into account the estimated journey time, estimated journey distance, and any temporal, dynamic pricing variations; or
- **Minimum Expected Journey Fee (where this feature is available):** calculated based on relevant available rate elements, such as a per/mile rate, which are variable by you.

When the Minimum Expected Journey Fee feature is unavailable, Dynamic Pricing will be used to determine the Journey Fee.

- d. When the Minimum Expected Journey Fee feature is available, You may switch between applying a Minimum Expected Journey Fee or Dynamic Pricing at any time through the Drivers App, which shall apply to the next Journey booking request received.
- e. Drivers may also be offered Journeys priced above your Minimum Expected Journey Fee. Further details are available on the Driver App.
- f. Both with Dynamic Pricing as well as with Minimum Expected Journey Fee option, you acknowledge that certain additional charges may be calculated and applied by Bolt and paid to you as part of the Journey Fee – including any Cancellation Fee, minimum fare value, start fare, waiting time fare, toll and

congestion zone charges or other similar charges. If a Passenger has materially soiled the vehicle used to fulfil a Journey the corresponding Journey Fee may be increased by Bolt to compensate you for cleaning expenses (up to £60) - you must report such circumstances to Bolt as soon as it is safe to do so.

- g. For a Journey delivered - you will be paid a Journey Fee, an estimate of which will be always indicated to the relevant Driver prior to electing to fulfil a Journey. Payment of a Journey Fee will always be subject to sec. 16.h below. The Journey Fee indicated will be gross of any applicable taxes or similar charges. It will also be gross of additional charges set out at 16.f above. You hereby acknowledge that the Fare and Journey Fee for that same Journey will not match.
- h. The Journey Fee for a Journey is calculated based on the applicable calculation method selected at the relevant time when the fulfilment of Journey is offered to the Driver. The calculation of the Journey Fee may be affected by various circumstances for example if the Passenger changes the destination during the Journey or cancels the Journey midway, Journey is materially longer in duration or distance than estimated due to traffic or other factors, or when other unexpected circumstances impact the characteristics of the Journey materially (e.g. a route is used where tolls apply) in which case the updated Journey Fee will be applied at the end of the Journey.
- i. A Passenger may cancel a Journey after a Driver has elected to fulfil a Journey. You are entitled to a Cancellation Fee in the event

that a Passenger cancels a confirmed Journey after a certain time period determined by the Bolt Platform. The Cancellation Fee will be included in the calculation of the Journey Fee and paid in accordance with the terms set out at Section 17 below. You can find out more information on Cancellation Fees here:

<https://support.taxify.eu/hc/en-gb/articles/360009457274Issue-with-a-cancellation-fee>.

- j. Bolt may run offers or promotional campaigns from time to time. Further details of any promotional campaigns, and how Drivers will be eligible to participate in these, will be made available to you through the Driver App or communicated otherwise.

17. How payment will be made to you

- a. Once a Driver has successfully fulfilled a Journey in association with your account on the Driver App, Bolt shall pay you the corresponding Journey Fee. We shall pay Journey Fees at least on a weekly basis for all Journeys you or any Drivers associated with your account fulfil in the preceding week on our behalf.
- b. Bolt will then create a monthly receipt from you to us on your behalf.
- c. You agree to notify Bolt immediately if you are or become VAT registered in the United Kingdom in which case the following shall apply:

- i. Bolt will create a monthly self-billed invoice from you to us on your behalf in accordance with Regulation 13(3A) VAT Regulations 1995.
 - ii. This self-billing arrangement will commence from the date you accept these Driver Terms until these Driver Terms are superseded. Bolt will ask you annually to confirm that you continue to agree to the use of self-billing and to agree to the terms set out in this Section 17.c.
 - iii. In terms of the self-billing arrangement, we may outsource the issuance of the self-billed invoices to a third party.
 - iv. You also agree to accept self-billed invoices, credit notes and/or debit notes issued by Bolt and that you will not issue invoices, credit notes and/or debit notes in respect of the services covered by these Driver Terms.
 - v. You further agree to notify us immediately if you: (a) change your VAT registration number; (b) cease to be VAT registered; or (c) sell your business or part of your business.
- d. If you have made a mistake in identifying the Passenger, and the Fare is charged to a person who has not been provided or has not approved the Journey, you shall not be entitled to receive a Journey Fee for the relevant Journey.
- e. Bolt (or its authorised payment agents) processes all payments in relation to the Driver App, including invoicing, reporting on payments and paying you.

- f. Bolt is not entitled to anything you earn by providing any transportation services independently or via another software provider.
- g. We shall pay you the Journey Fee on the following basis:
 - i. Bolt shall transfer to your bank account your Journey Fees in respect of Journeys you or any Drivers associated with your account fulfil in the preceding week.
 - ii. Such transfer shall be made by the 4th day of the following week, but in no case later than within two weeks, except in the specific cases set below.
 - iii. Where the amount owing to you is less than £15, Bolt will pay you when the amount owing to you next exceeds £15, except where: (a) the relationship is terminated in accordance with Section 8; or (b) the amount has been owed to you for more than 60 days, in each case Bolt will pay you whatever amount is owing).
 - iv. If you request a review of the Journey Fee, then the payment deadlines referred to above shall not apply and Bolt may transfer the Journey Fee due after it has concluded the review.
- h. Journey Fees may be paid at a shorter frequency, subject to the satisfaction of conditions which may be notified to you, which can include the payment of any applicable transfer fees.

- i. In the event that you dispute the amount of the Journey Fee, you are able to raise a complaint in accordance with Section 9.a. You authorise Bolt to withhold the disputed amounts until the dispute has been resolved.
- j. Where we reasonably suspect any fraud in respect of Journeys or calculation of Journey Fees payable, we are under no obligation to pay you while this is investigated. You are not entitled to any Journey Fees that are the result of any fraud in association with your account.
- k. Your Journey Fee reports will be made available to you in the Driver App on a weekly basis. The reports will show Journey Fee(s) payable by us to you in relation to Journeys fulfilled in association with your account.
