Schedule for Your Commercial Combined Insurance Policy

Your Policy Amendment Schedule

The Schedule forms part of Your policy and replaces the previous Schedule(s).

Please keep The Schedule safe with Your policy.

This Schedule outlines your cover. Clauses and Conditions applying to your cover are detailed in the Clauses and Conditions Schedule and should be read and understood in conjunction with your policy wording.

For Property Damage cover, Your Schedule refers to Risk Locations and Premises. Each Risk Location consists of one or more Premises.

A unique reference number has been applied to each Risk Location, for example **001**. Premises within that Risk Location are identified by the number after the hyphen, for example Premises 2 at this Risk Location appears as 001-**002**.
