This Insurance Product Information Document (IPID) provides a summary of key information about the Personal Accident Insurance policy ("Policy"). It is therefore <u>not complete.</u> Full information about the Policy is provided in the documents relating to the insurance contract. The terms used in this summary shall have the same meaning as in the Insurance Term and Conditions. For easier reading, they are formatted with capital letters. In addition to this IPID, We have also enclosed a copy of the Insurance Terms and Conditions and Allianz' Privacy Notice. Please read all documents so that You are fully informed.

#### What is this type of Insurance?

The Policy is a Personal Accident Insurance Policy (lump-sum insurance) for individuals who: (A) rent a Bolt Unit through the Bolt Application; or (B) use a Bolt Unit with the explicit consent of a registered user of the Bolt Application (both are referred to here as Beneficiaries or Beneficiary).

#### What is insured?

The Personal Accident Insurance Policy provides cover for

- ✓ Permanent Disability caused by Road Accident or
- Death caused by Road Accident

#### Who is insured?

- An individual who is registered to the Bolt Application and who rents a Bolt Unit for personal transportation purposes.
- An individual who uses a Bolt Unit with the explicit consent of a user registered to the Bolt Application. In all cases, the individual user must be of the minimum age required by Swiss laws or regulations to ride the Bolt Unit in Switzerland, but is at least of the legal age of majority in Switzerland.

#### What is not insured?

- X Any Accident that does not arise from the use of a Bolt Unit
- Any Accident that is not a Road Accident
- Payments in case of Permanent Disability below threshold of 15% disability
- The Unauthorised Use of a Bolt Unit including improper use of a Customer's log-in credentials or Commercial Use of the Bolt Unit
- Any Use of a Bolt Unit where passengers are being carried
- Any Use of a Bolt Unit under the influence of alcohol/medicine/drugs above the locally allowed limit or, in the case of medicine, above the prescribed dosage
- Road Accident caused intentionally by a Beneficiary resulting from his/her: participation in a crime, an offense or a fight, except in cases of self-defence

#### Insured sum

- ✓ In case of Permanent Disability: Lump sum up to CHF 53`715.00 (Rate determined by degree of disability and above the minimum threshold of 15% disability as result of a Road Accident)
- ✓ In case of death: Lump sum of CHF 53`715.00
- Any claims resulting from, arising out of or relating to any Pandemic outbreak including the Covid-19 virus

# Are there any restrictions on cover?

Endorsements may apply to this Policy.
These will be shown in the Insurance
Terms and Conditions.

#### Where am I covered?

√ The insurance is valid in Switzerland.

# What are my obligations?

#### You must:

- Take all the necessary medical steps to insure that Your condition is stable.
- Comply with the Insurance Terms and Conditions.

# When and how do I pay?

Bolt pays the insurance premium. There is no additional charge for You.

# When does the contract start and when does it end?

The cover starts when You start a rental of a Bolt Unit through the Bolt Application and ends with the end of such rental.

#### How do I cancel the contract?

You cannot withdraw from the Personal Accident Insurance. It is an integral part of the Bolt rental offer.

# Important Information about the Insurance Policy

Bolt (Bolt Support CH Sàrl) has purchased insurance coverage to protect the rider during the use of the Bolt Units. Bolt (Bolt Support CH Sàrl) is the Policyholder and pays the premium to the Insurer.

# YOUR INSURANCE

#### **Personal Accident Insurance**

You are insured for Permanent partial/total Disability and death resulting from the use of a Bolt Unit. The indemnity is limited to CHF 53`715 per claim. Permanent Disability will be assessed according to the severity of the Disability. Permanent invalidity is calculated on the basis of the degree of invalidity.

# IN CASE OF AN ACCIDENT

# What do You have to do in every claim?

You must take reasonable precautions to prevent and minimize loss or damage. You must also provide proof in support of the claim. For this reason, please always secure suitable evidence of the occurrence of the damage (e.g. damage confirmation, attestation, police report, medical report) and the extent of the damage.

# Applicable Law

The Policy is governed by the law of Switzerland. The Policyholder or the Beneficiary may bring an action under the Policy before the court at the registered office or branch of the Insurer.

If the Policyholder or Beneficiary is a natural person, legal action may also be brought in the court in whose district the Policyholder or insured person has his place of residence at the time the action is brought or, if no place of residence exists, his habitual residence.

Please notify Your damage quickly through the Bolt Application or through **Bolt.claim.ch@allianz.com.** The Policyholder will forward the claim to Us including relevant rental data and We will reach out to You for further instructions.

#### **INSURANCE TERMS AND CONDITIONS**

#### **Personal Accident Insurance**

#### A. General information

Pursuant to these Insurance Terms and Conditions AWP P&C S.A. – Wallisellen Branch (Switzerland) with registered office in Switzerland (hereinafter "Insurer") provides insurance coverage as set out herein. Some words and phrases have specific meanings and are defined within these Insurance Terms and Conditions. For easier reading, they are formatted with capital letters.

#### B. Definitions

These definitions apply throughout the Insurance Terms and Conditions.

#### **B1.** General Definitions

**Consolidation**: shall mean a statement made by an authorized Physician determining the date from which the Beneficiary's condition, when injured, is considered permanent and presumed definitive because no treatment is likely to bring about a significant change in the Beneficiary's condition.

**Country of Rental**: The country where You have used a Bolt Unit.

**Covered Period**: shall mean the period of time from when a Beneficiary unlocks a Bolt Unit until the Beneficiary locks the Bolt Unit in accordance with the instructions in the Bolt Application, or otherwise completes the use of a Bolt Unit, whichever is the earliest.

Customer: means any natural person who is registered to the Bolt Application.

Insurer: means AWP P&C S.A., Saint-Ouen (Paris), Wallisellen Branch (Switzerland).

Bolt Application shall mean the application used by a Customer in order to use a Bolt Unit.

**Bolt Electric Bicycle** shall mean an electric pedal cycle, which has pedal assistance powered by an electric motor with maximum continuous rated power according to local laws and regulation which assists the human propulsion of the pedal cycle and that ceases to provide assistance when the pedal cycle reaches a maximum speed according to local laws and regulation.

**Bolt Electric Scooter** means an electric two wheeled kick scooter propelled by a combination of human power and an electric motor with handlebars, brake(s) and a deck that allows a person to stand while operating the scooter, which is powered by an electric motor with maximum continuous rated power capable of propelling the scooter with or without human propulsion and that ceases to provide assistance when the scooter reaches a maximum speed according to local laws and regulation.

**Bolt Unit(s)** shall mean only the Bolt Electric Bicycles and the Bolt Electric Scooters, which are owned by the Policyholder.

Policyholder: Bolt Support CH Sàrl (hereinafter referred to as "Bolt")

**Insurance Terms and Conditions**: means the terms and conditions setting out the rights and obligations of the Beneficiary. These terms and conditions are subject to amendment and distribution as required by local legislation. The master terms and conditions are provided in English but the local language in any territory will be the definitive version.

**Pandemic**: An epidemic that is recognised as a pandemic by the World Health Organisation (WHO) or an official government authority in the country of residence or travel of the eligible person.

**Permanent Disability**: permanent loss, partial or total loss of a person's functional capacity as established by a Physician when the Consolidation has been determined

**Permanent Disability Degree**: degree of Permanent Disability is determined by a Physician using the Permanent Disability Table

Permanent Disability Table: Disability degree as defined in the table of injuries:

Benefits	Covered up to	Conditions and limits
Payment of a capital sum in case of death	Lump sum up to CHF 53`715.00	Death arising from a Road Accident
Payment of a capital sum in case of Permanent Disability	Lump sum up to CHF 53`715.00  Sum determined by degree of disability	Above threshold of 15% disability arising from a Road Accident

#### F. Benefits

Insurer reserves the right to check the validity of the cover, the eligibility of the Beneficiary and the proof of the occurrence of a covered event.

#### Our benefits are provided when:

- You have been injured following a Road Accident which results in Permanent Disability
- You die following a Road Accident.

In any case You should, prior to contacting Us, take all the necessary medical steps to ensure that Your condition is stable. When You submit a claim to Us, we will ask for supporting documentation to prove the validity of Your claim. In accordance with applicable privacy laws, our Physician can ask for:

Your medical file and any supporting documentation.

- A proof of the Road Accident with the Bolt Unit (e.g, police report, accident report, first emergency responder, hospital report...)
- The death certificate in case of death of the Beneficiary
- The certificate from a Physician which determines, after Consolidation of the Beneficiary's injuries, his/her Permanent Disability Degree, with reference to the Permanent Disability Table

#### F.1 Payment of a capital sum in case of death

Limits and conditions are listed in section E. (Insured amounts, limits, and conditions).

In the event of death of the Beneficiary as a result of a Road Accident while using a Bolt Unit, We guarantee the payment of a capital sum, as provided for in the Table of Limits and Conditions, to the Entitled Person.

Death must occur within one (1) year following the Road Accident and be the direct consequence of the latter, the proof being incumbent on the Beneficiary or the Entitled Person who must, in particular, establish the fortuitous circumstances of the event.

Any indemnities that may have been paid before the death, under the heading of Permanent Disability (see clause below), resulting from the same Road Accident, will be deducted from the death benefit.

#### F.2 Payment of a capital sum in case of Permanent Disability

Limits and conditions are listed in section E. (Insured amounts, limits, conditions).

In the event of Permanent Disability resulting from a Road Accident while using a Bolt Unit, We guarantee the payment of a capital sum, the amount of which is calculated as follows:

#### 1. Determination of the Beneficiary's Permanent Disability Degree

A Physician determines, after Consolidation of the Beneficiary's injuries, his Permanent Disability Degree, with reference to the Permanent Disability Table.

The Beneficiary may be assisted, at his own expense, by a Physician of his choice.

The Beneficiary undertakes to communicate to Us all information that we may reasonably request in order to determine his Permanent Disability Degree.

In the event of disagreement on the conclusions of the expertise, the following provisions shall apply.

The causes and consequences of the claim shall be estimated by mutual agreement. Failing this, the claim shall be estimated by an amicable third party expert appraisal. The fees for such appraisal shall be shared equally between the parties.

If the parties fail to agree on the choice of the third party expert, the appointment shall be made by the local court of the Beneficiary's place of Residence.

This appointment shall be made on a simple request signed by the Insurer or by one of the parties only, the other having been summoned by registered letter.

#### 2. Calculation of the capital

The indemnity which is paid to the Beneficiary corresponds to the payment of a capital sum proportional to the Beneficiary's Permanent Disability Degree. It is calculated by multiplying the maximum limit of cover shown in the Table of Limits and Conditions by the Beneficiary's Permanent Disability Degree, provided that:

- the Permanent Disability Degree is strictly greater than 15%,
- no indemnity shall be paid if the Permanent Disability Degree is less than or equal to 15%,
- in any event, the Degree of Permanent Disability may not exceed 100%.

#### **INSURER'S PRIVACY NOTICE**

#### We care about Your personal data

**AWP P&C S.A., Saint-Ouen (Paris) - Wallisellen Branch (Switzerland)**, hereinafter also referred to as "AWP", is a Swiss Branch of AWP P&C S.A, which has its registered office in Saint-Ouen, France and is part of Allianz Partners Group. AWP P&C S.A., Wallisellen Branch (Switzerland) is approved in Switzerland to provide insurance products and services. Protecting Your privacy is a top priority for Us. This privacy notice explains how and what type of personal data will be collected, why it is collected and with whom it is shared or disclosed. Please read this notice carefully.

#### 1. Who is the data controller?

A data controller is the individual or legal person who controls and is responsible for keeping and using personal data in paper or electronic files. **AWP Switzerland** is the data controller as defined by relevant data protection laws and regulations.

#### 2. What personal data will be collected?

We will collect and process various types of personal data about You as follows:

- Surname, first name
- Address
- Telephone numbers
- Email address

Depending on the claim submitted, We could also collect and process "sensitive personal data" about You, other insured persons, even third parties affected by the event covered, for example:

- Medical conditions (physical or psychological)
- Medical history and reports
- Death certificates
- Credit/debit card and bank account details

By submitting documents and information with particularly sensitive personal data to AWP Switzerland, you expressly consent to the processing of this data in the event of a claim for the purpose of checking and processing the claim.

#### 3. How will We obtain and use Your personal data?

We will collect and use Your personal data that You provide to Us and that We receive from You (as explained below) for a number of purposes and with Your express consent unless applicable laws and regulations do not require Us to obtain Your express consent, as shown below:

• Contract administration (e.g. preparation of offers, risk assessment, conclusion of contracts,

- claims processing, etc.).
- Compliance with legal obligations (e.g. tax, administrative or accounting)
- Collection management / recovery of claims
- Execution of recourse claims against other insurance carriers (e.g. credit card companies, travel insurance companies, health insurance carriers, etc.)
- Risk diversification through reinsurance and/or co-insurance contracts
- Transfer of data to subcontractors for the organisation of contracted services (see section 4 for details)
- Prevention and detection of fraud, money laundering, violation of economic sanctions or financing of terrorism.
  - **Explicit consent** is required for the following processing purposes:
- To inform you or allow Allianz Group companies and selected third parties to inform you about products and services we think you may be interested in. You can change these preferences at any time by withdrawing your consent in the mailing ("Unsubscribe" button) or by contacting us as described in section 9 below.
- For automated decisions (including profiling) to personalise our website or mobile application.
  This concerns the presentation of products, services, marketing messages, offers and content
  tailored to your needs by means of computer-aided decisions, e.g. an assessment of which
  products might be most suitable for you.

Generally, we will need your personal information if you wish to purchase or use our products and services. If you do not wish to provide it to us, we may not be able to provide you with the relevant products or services.

For those purposes indicated above where We have indicated that We do not require Your express consent or where We otherwise require Your personal data to underwrite Your insurance and/or process Your claim, We will process Your personal data based on Our legitimate interests and/or to comply with Our legal obligations deriving from Your contract with Bolt (Bolt Support CH Sàrl).

#### 4. Who will have access to Your personal data?

We will ensure that Your personal data is processed in a manner that is compatible with the purposes indicated above.

For the stated purposes, Your personal data may be disclosed to the following parties who operate as third party data controllers:

• Public authorities, other Allianz Group companies, other insurers, co-insurers, re-insurers, insurance intermediaries/brokers, and banks

For the stated purposes, We may also share Your personal data with the following parties who operate as data processors under Our instruction:

 Other Allianz Group companies, technical consultants, experts, lawyers, loss adjustors, repairers, medical doctors; and service companies for discharging operations (claims, IT, postal, document management); and

Finally, We may share Your personal data in the following instances:

- In the event of any contemplated or actual reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of Our business, assets or stock (including in any insolvency or similar proceedings; and
- To meet any legal obligation, including to the relevant ombudsman if You make a complaint about the product or service We have provided to You.

#### 5. Where will my personal data be processed?

Your personal data may be processed both inside and outside of Switzerland by the parties specified

in section 4 above, subject always to contractual restrictions regarding confidentiality and security in line with applicable data protection laws and regulations. We will not disclose Your personal data to parties who are not authorized to process them.

Whenever We transfer Your personal data for processing outside of Switzerland by another Allianz Group company, We will do so on the basis of Allianz' approved binding corporate rules known as the Allianz Privacy Standard (Allianz' BCR) which establish adequate protection for personal data and are legally binding on all Allianz Group companies: https://www.allianz.com/en/.

Allianz' BCR and the list of Allianz Group companies that comply with them can be accessed here Where Allianz' BCR do not apply, We will instead take steps to ensure that the transfer of Your personal data outside of the European Economic Area (EEA) receives an adequate level of protection as it does in the EEA. You can find out what safeguards We rely upon for such transfers (for example, Standard Contractual Clauses) by contacting Us as detailed in section 9 below.

#### 6. What are Your rights in respect of Your personal data?

Where permitted by applicable law or regulation, You have the right to:

- Access Your personal data held about You and learn the origin of the data, the purposes and ends of the processing, the details of the data controller(s), the data processor(s) and the parties to whom the data may be disclosed;
- Withdraw Your consent at any time where Your personal data is processed with Your consent;
- Update or correct Your personal data so that it is always accurate;
- Delete Your personal data from Our records if it is no longer needed for the purposes indicated above;
- Restrict the processing of Your personal data in certain circumstances, for example where You
  have contested the accuracy of Your personal data, for the period enabling Us to verify its
  accuracy;
- Obtain Your personal data in an electronic format for You or for Your new insurer; and
- File a complaint with Us and/or the relevant data protection authority.

You may exercise these rights by contacting Us as detailed in section 9 below providing Your name, email address, account identification, and purpose of Your request.

#### 7. How can You object to the processing of Your personal data?

Where permitted by applicable laws or regulations, You have the right to object to Us processing Your personal data, or tell Us to stop processing it. Once You have informed Us of this request, We shall no longer process Your personal data unless permitted by applicable laws and regulations.

You may exercise this right in the same manner as for Your other rights indicated in section 6 above.

#### 8. How long do We keep Your personal data?

We will retain Your personal data only for as long as they are necessary for the purposes communicated in this Privacy Notice, and deleted or anonymized when no longer required. Here below We inform You of some of the retention periods applicable to the purposes informed in section 3 above.

However, please be aware that sometimes additional specific requirements or events may override or modify them, such as ongoing legal holds over relevant information, or pending litigation or regulatory investigations, which may supersede or suspend these periods until the matter has been closed, and

the relevant period to review or to appeal has expired. In particular, retention periods based on specified periods for legal claims can be interrupted and then start to run again
