6. Payment and Fees

6.1 You may use our Services through a Basic Pass or Pre-Paid Pass basis if available. You will be charged fees for Your use of the E-Vehicle and Services in accordance with Our Fee Schedule and the type of E-Vehicle. Each use of the E-Vehicle starts when You click "Unlock" and terminates when You click "Finish your ride" (or equivalent button(s) on the App). Our fees and other charges may be subject to applicable taxes and other local government charges, which may be charged and collected by Us.

6.2 In certain Service Areas, You may have the option to purchase Services through a Pre-Paid Pass. Terms and pricing conditions applicable to a Pre-Paid Pass will be displayed in the App, must be read and accepted by You prior to purchase and will include a description of the Pre-Paid Pass limitations. Limitations may include a daily time limit, a number of unlocks or a daily ride limits. Pre-Paid Passes may not be used in conjunction with promotional offers, rewards or other discounts. Purchase of a Pre-Paid Pass does not guarantee the availability of Services. Pre-Paid Passes will expire on the date of expiry stated, at the time of purchase, in the applicable terms and pricing conditions.

6.3 You have a statutory right to withdraw from a Pre-Paid Pass within 14 days of the purchase date without giving any reasons. If you want to withdraw from a Pre-Paid Pass, You may either (i) use the model withdrawal form provided in Annex B or (ii) make any other unequivocal statement setting out Your decision to withdraw from a Pre-Paid Pass by contacting Us in accordance with Section 12.1.

6.4 If you activate the Pre-Paid Pass during the 14 days withdrawal period after purchasing the Pre-Paid Pass (which means that You expressly request that Services start to be supplied as from this date and before the expiry of the withdrawal period), then You explicitly renounce your right of withdrawal. Should You exercise your right to withdraw during the 14 days period, in accordance with the above-mentioned conditions, You will be entitled to a refund on a pro-rata basis conditional to the limitations of the Pre-Paid Pass that you have purchased and used until termination.

6.5 We may issue promotional coupons or codes subject to any additional terms established on a per promotional code basis ("**Promo Codes**"). We reserve the right to modify or cancel Promo Codes at any time at Our sole and absolute discretion. We may suspend or cancel Promo Code(s) and Your use of the App at any time if We have grounds to believe that the use or redemption of the Promo Code(s) was in error, fraudulent, illegal or in violation of the applicable Promo Code terms or this Agreement.

6.6 If the E-Vehicle unlocked with Your Account:

6.6.1 Return the e-vehicle in the same condition in which it was rented to a permitted parking area in accordance with the Road Traffic Regulations, the Ordinance on the Participation of Very Small Electric Vehicles in Road Traffic, the e-vehicle type and the parking instructions specified in the app ("Permitted Parking Area"). The parking regulations applicable to bicycles apply accordingly to the parking of e-scooters. In particular, the e-vehicle must not be parked in the red areas indicated in the app and other road users must not be obstructed by the parked e-vehicle. The stand located on the e-vehicle must be used. If the e-vehicle is returned damaged or in a demolished condition, you will be charged a fee in the amount of the repair costs according to section 6.6.3 or 6.6.4.

6.6.2 is parked outside the Permitted Parking Area, then in Our sole discretion, We may charge You a pick-up fee of up to EUR 100. This amount is based on our costs for pick-up and associated losses;

6.6.3 appears to be damaged beyond normal wear and tear, is in a state of disrepair or has been vandalised, then, in Our sole discretion, We may charge You a fee that is equal to the cost of repair or replacement of the E-Vehicle and equipment;

6.6.4 is abandoned without notice, You will be responsible for all fees until the E-Vehicle is recovered, plus a search fee of up to EUR 120 and maximum ride fee specified in the App depending on the time that it takes to recover the E-Vehicle. This amount is based on our costs and associated losses;

6.6.5 is not recovered or returned (ie. the ride is finished and the E-Vehicle parked) within 48 hours, then in Our sole discretion, We may consider the E-Vehicle to be lost or stolen, in which case We may charge You up to EUR 500 per E-Vehicle and file a police report against You.

6.6.6. is not parked in accordance with section 3 of the Riding Rules and evidenced by a clear end-of-ride photograph when prompted to do so in the App, We may

charge you a fee of **15 EUR** ("**Parking Enforcement Fee**"). The improper parking or failing to take a clear end-of-ride photograph when prompted constitutes a breach of this Agreement. The Parking Enforcement Fee is a measure to compensate our costs in this regard (assessing end of ride photos as well as re-parking) and to ensure the proper use of parking areas, public spaces and the safety and convenience of other users and members of the public. We will not charge You the Parking Enforcement Fee insofar as You prove that You cannot be accused of culpable behavior or insofar as You prove that You are not responsible for the costs incurred or that no costs were incurred. If you prove that We suffered lesser damage, we will reduce the Parking Enforcement Fee accordingly. For the avoidance of doubt, a change in the burden of proof to the detriment of the User is not associated with this provision.

6.7 You agree to pay any fines, fees, penalties and/or other costs incurred by us if you use an E-Vehicle, park an E-Vehicle improperly (e.g., outside the Permitted Parking Area) in violation of Section 6.6. et seq. and/or if you violate any law, rule, regulation or ordinance while using the Services. In the event of such violations:

6.7.1. you agree that we will pay all fines, fees and penalties to the appropriate authority.

6.7.2 You shall have unlimited liability to us for violations under Section 6.7. We shall have a claim against you for reimbursement of the amount we pay to the competent authority under Section 6.7.1. The claim shall be governed by the statutory provisions. This does not involve a reversal of the burden of proof.

6.7.3 As compensation for the administrative expenses incurred by us in processing the infringements pursuant to Clause 6.7, we shall charge a reasonable administrative fee, which shall not exceed EUR 30. The administrative fee will not be charged if you prove that you are not responsible for the costs or if no costs were incurred.

6.7.4 All amounts due and payable to us (including the administration fee) will be collected via your chosen payment method. If these payment methods fail, other collection methods may be used. You agree to reimburse all of our collection costs, including without limitation reasonable attorneys' fees, if you fail to pay any amounts owed to us when due.

6.8 All amounts due and payable to Us will be charged to Your Elected Payment Method. If these payment methods fail, other collection procedures may be employed. You agree to compensate all Our collection costs, including without limitation reasonable legal fees, if You do not pay amounts owed to Us when due. We have the right to suspend or disable Your Account if You do not pay the amount owed to Us when due. If You have any questions related to the suspension, please contact our support team. Your Account will be reopened when the amount due is paid.

6.7.5. We have the right to temporarily block your account if you do not pay the amount owed to us when it is due despite a prior reminder. We will lift the block immediately when you have paid the amount owed to us. If you have any questions about the block, please contact our support team. Your account will be reopened when the amount due is paid.

6.7.6. We have the right to permanently deactivate your account after unsuccessful warning if you have culpably violated your contractual obligations in a significant way. If you have any questions about deactivation, please contact our support team as well.

6.8 You can pay for the Services with Your Elected Payment Method, which requires prior activation within the App. You authorise Us to charge Your Elected Payment Method linked to Your Account for all fees and charges incurred by You pursuant to this Agreement. Such fees and charges may be subject to applicable taxes, which may be charged and collected by Us.

6.9 We and our contractors support in-App Payment, provide assistance, and resolve disputes related to in-App Payment. If You dispute any transactions charged to Your Elected Payment Method by Us, You must contact Us in accordance with Section 10.1 within 10 Business Days.

6.10 For credit and debit card payments, We may charge a service fee for each payment that is added to each order of the Services. The service fee is for Visa/Mastercard service fees. The amount of the service fee is displayed in the App. Your bank may make additional charges for Your use of Your credit or debit card which are not shown in the App. Please note that after You have booked an E-Vehicle, we automatically pre-authorise an amount from Your credit card to confirm the availability of the payment.

6.11 You agree to immediately inform Us of any changes relating to Your Elected Payment Method linked to Your Account that may impair Our ability to charge You pursuant to this Agreement.

7. Right of withdrawal

7.1 You have the right to withdraw this agreement within 14 days without giving any reason. The withdrawal period ends after 14 days from the day of the conclusion of the Agreement. To exercise your right of withdrawal, you must notify Us (Bolt Operations OU, Vana-Lõuna 15, Tallinn 10134, Estonia, info@bolt.eu) of your decision to withdraw from this Agreement by means of a clear statement (e.g. a letter sent by post, fax or email). You may use the model withdrawal form in Annex B for this purpose, which is, however, not mandatory. You can also fill in and submit the model withdrawal form or another clear declaration electronically in the app. If you make use of this option, We will send you confirmation of receipt of such revocation without delay (e.g. by e-mail).

To comply with the revocation period, it is sufficient that you send the notification of the exercise of the right of revocation before the expiry of the revocation period.

7.2 Consequences of withdrawal: If you withdraw from this Contract, We shall refund to you all payments that We have received from you, including the delivery costs (with the exception of the additional costs resulting from the fact that you have chosen a type of delivery other than the cheapest standard delivery offered by Us), without undue delay and at the latest within fourteen days from the day on which the notification of your withdrawal from this Contract is received by Us. For this repayment, We will use the same means of payment that you used for the original transaction, unless expressly agreed otherwise with you; in no case will you be charged any fees because of this repayment.

7.3 Exceptions to the Right of Withdrawal: Your right of withdrawal may be excluded in cases where We have fully performed the service if You have given Your consent for Us to commence performance of the contract before the end of the withdrawal period and at the same time confirmed Your knowledge that You will lose Your right of withdrawal upon full performance of the contract by Us.

8. Liability

8.1 You fully understand such risks by acknowledging that:

8.1.1 riding E-Vehicles involves many obvious and not-so-obvious risks, dangers, and hazards, which may result in injury or death to You or others, as well as damage to property, and that such risks, dangers, and hazards cannot always be predicted or avoided;

8.1.2 the E-Vehicle is a machine that may malfunction, even if properly maintained, and that such malfunction may cause injury; and 8.1.3 wearing a helmet and other protective equipment and diligent compliance with the Riding Rules and this Agreement are essential to reduce Your risk of injury and risk of causing injuries or damage to others.

8.2 If Your use of any of the Services causes any injury or damage to another person or property, then You will be liable for any and all consequences, claims, demands, causes of action, losses, liabilities, damages, injuries, fees, costs and expenses, penalties, legal fees, judgments, suits or disbursements of any kind, whether foreseeable or unforeseeable, and whether known or unknown. If Your conduct causes Us to pay third parties' claims, You are solely responsible to Us, and agree to indemnify Us, for all losses incurred by Us in paying those third party claims.

8.3 We reserve the right to offer a liability insurance arrangement ("**Insurance Cover**"), to insure, subject to limitations and exceptions of the Insurance Cover, liability You incur in respect of injury to a third party or accidental damage to the physical property of a third party arising from Your use of the E-Vehicle. **If, for any reason, You are not eligible for the Insurance Cover, then You understand and acknowledge** that You assume liability for any and all costs caused by You to a third party, including without limitation costs of ambulance transport services, hospital stays and medical treatment.

8.4 In the event of a lack of conformity of our services, the statutory warranty rights shall apply, i.e. you have a right to subsequent performance, reduction, withdrawal and/or compensation against us.

8.5 Our liability towards you

8.5.1 We shall only be liable in respect of the provision of the App for malice, willful misconduct and gross negligence.

8.5.2 In respect of the use of an e-vehicle, We shall be liable solely in accordance with the following provisions:

8.5.2.1 We shall be liable without limitation for intent and gross negligence as well as for damages resulting from injury to life, body or health.

8.5.2.2 In the event of slight negligence, We shall only be liable in the event of a breach of a material contractual obligation; however, We shall not be liable for lack of economic success, loss of profit and indirect damage. An essential contractual obligation within the meaning of this provision is an obligation the fulfilment of which makes the proper performance of the contract possible in the first place and on the observance of which the contractual partner may therefore regularly rely. The liability according to this clause 8.5.2.2 is limited to the typical and foreseeable damage at the time of the conclusion of the contract.

8.5.2.3 The limitation of liability shall apply accordingly in favour of Our employees, representatives and vicarious agents.

8.5.2.4 Any liability of Us for any guarantees (which must be expressly designated as such to be guarantees in the legal sense) and for claims under the Product Liability Act shall remain unaffected.

8. 6 Neither we nor you will be liable for any damages or for any delay or failure in performance resulting from circumstances beyond the reasonable control of the non-performing party, including, but not limited to, acts of nature or acts of God, earthquake, fire, flood, war, terrorism, civil, industrial or military disturbances, sabotage, strikes or lockouts, pandemics, epidemics, riots, loss or disruption of utilities or communications, major cyber-attacks, court orders, acts of civil or military authorities or governmental, judicial or regulatory actions.
