Dear Andy and Eamonn,

Thank you for your letter of 11 October about the Greater Manchester Clean Air Plan. We are replying as joint ministers responsible for this policy area.

We are grateful for the updated plan and for the close engagement between our respective teams during its development. We note the points set out in your letter, and recognise we are all keen to ensure we have an agreed plan for Greater Manchester in place as quickly as possible. We are reviewing the proposals and aim to respond more fully soon.

Thank you once again for taking the time to contact us about this important issue.

Yours sincerely,
