

INTEGRATIONS DONE RIGHT

- **Productized integration**
- **Real-time order and screening status**
- **Configurable account and notification setup**

Recruiting top talent is critical for the success of any organisation

Integrating HireRight employment background screening with Dayforce Recruiting allows you to hire quality employees more quickly, saves your organisation time and money, and improves both the candidate and recruiter experiences.

Highly configurable packages allow users to order any of HireRight's global background check services and receive real-time results, all from within Dayforce Recruiting. Candidate information from Dayforce Recruiting will pre-populate the HireRight background check form, reducing duplicate data entry, administration, and time.

The integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

Through our partnership and integration solution, HireRight and Dayforce are assisting mutual customers to more effectively leverage their investment in recruiting and background screening solutions for truly optimised performance.

Integration Advantages:

Streamlined ordering

Single sign-on

Data pre-population

Reduces duplicate entry
improving efficiency

Change tracker

Alerts recruiter to changes made
in the background check process

Mobile optimised

Candidates can complete background
check using their preferred device

Status updates

Ensure a timely and
transparent process

Integration support and automatic updates

About HireRight

HireRight is a leading global provider of technology-driven workforce risk management and compliance solutions. We provide comprehensive background screening, verification, identification, monitoring, and drug and health screening services for approximately 37,000 customers across the globe. We offer our services via a unified global software and data platform that tightly integrates into our customers' human capital management systems enabling highly effective and efficient workflows for workforce hiring, onboarding, and monitoring. In 2022, we screened over 24 million job applicants, employees and contractors for our customers and processed over 107 million screens. For more information, visit www.HireRight.com
