

A photograph of a man and a woman in an office setting, both smiling and looking at a tablet held by the woman. The man is pointing at the screen. The background is slightly blurred, showing other office workers.

INTEGRATIONS DONE RIGHT

- **Productized integration**
- **Real-time order and screening status**
- **Configurable account and notification setup**

Recruiting top talent is critical for the success of any organization

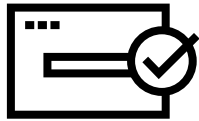

Integrating HireRight employment background screening with Infinite BrassRing allows you to hire quality employees more quickly, saving your organization time and money, and improves both the candidate and recruiter experiences.

HireRight is integrated with the Infinite BrassRing on the Cloud talent acquisition solution. With our integration, users can easily order HireRight background screening services from within the Infinite BrassRing Platform. This streamlined safe hiring solution enables process efficiency for recruiting.

Our integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation. Through our partnership and integration, HireRight and Infinite BrassRing are assisting mutual customers to achieve a recruiting and background screening solution with optimized performance.

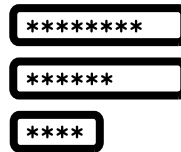

Integration Advantages:

Streamlined ordering

Single sign on

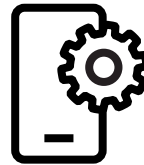

Data prepopulation

Reduces duplicate entry
improving efficiency

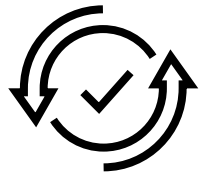

Change tracker

Alerts recruiter to changes made
in the background check process

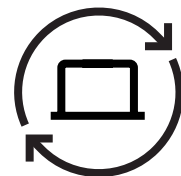

Mobile optimized

Candidates can complete background
check using their preferred device

Status updates

Ensure a timely and
transparent process

Integration support and automatic updates
