

# INTEGRATIONS DONE RIGHT

- **Cornerstone Edge integration ready**
- **Productized integration**
- **Real-time order and screening status**
- **Configurable account and notification setup**

## Recruiting top talent is critical for the success of any organization

Cornerstone and HireRight have collaborated to deliver a pre-integrated solution to help organizations manage their employment screening programs more efficiently, create repeatable and compliant processes, and in turn make better informed hiring decisions.

Highly configurable packages allow users to order any of HireRight's 200+ global background screening and drug testing services in just a few clicks. Once the order is submitted, results begin appearing in real-time without ever exiting Cornerstone's Recruiting talent management system. Candidate provided information from Cornerstone Recruiting automatically pre-populates the HireRight background check form, reducing duplicate data entry, improving accuracy and driving administrative efficiency.

Integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements help promote long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

Through the partnership and integration solution, HireRight and Cornerstone are assisting mutual customers to more effectively leverage their investment in recruiting and background screening solutions for truly optimized performance.

## Integration Advantages:

### Streamlined ordering

Single sign on

### Data prepopulation

Reduces duplicate entry  
improving efficiency

### Change tracker

Alerts recruiter to changes made  
in the background check process

### Mobile optimized

Candidates can complete background  
check using their preferred device

### Status updates

Ensure a timely and  
transparent process

### Integration support and automatic updates
