

# DELIVERING AN EFFICIENT IMPLEMENTATION

Unify your end-to-end recruiting experience with the HireRight and ICIMS Prime Background Screen Connector. With access to order, run and view results from within the ICIMS Platform, this integration can help you hire quality employees more efficiently and quickly, saving your organization time and money. It can also help you provide a more positive candidate experience.

The ICIMS Prime Background Screen Connector integration allows you to order HireRight background checks for domestic or international

locations with just a few simple clicks. As a recruiter, you can create your own screening packages and capture all information from the candidate necessary to request a background check smoothly. With 80 data fields transferring through the integration, recruiters can look forward to reduced duplicate entry, helping to increase accuracy and boost efficiency. Candidate information transfers from ICIMS to the HireRight background check form, helping reduce duplicate data entry, administration and time.

## INTEGRATION ADVANTAGES

### Status updates

Ensure a timely and transparent process

### I-9 Forms

Access In Progress and Completed I-9 forms from within iCIMS

### Data prepopulation

Eliminates duplicate entry

### Change tracker

Alerts recruiters to differences in candidate-provided information

### Mobile optimized

Candidates can complete the I-9 form using their preferred device

### Integration support and automatic updates

## About HireRight

HireRight is a leading global provider of technology-driven workforce risk management and compliance solutions. We provide comprehensive background screening, verification, identification, monitoring, and drug and health screening services for approximately 34,000 customers across the globe. We offer our services via a global platform that tightly integrates into our customers' human capital management systems enabling highly effective and efficient workflows for workforce hiring, onboarding, and monitoring. In 2024, we screened over 60 million job applicants, employees, and contractors for our customers and processed over 120 million screens.
